Deerfield Park District Preschool

ROOM PARENTS serve as the liaison between parents and teachers and help to create a community within each classroom. Responsibilities include, but are not limited to; coordinating classroom events, reaching out to other parents who would like to volunteer, and assisting classroom teachers as needed. Many room parents organize social events that help parents get to know each other (i.e. coffees and play dates at the playground).
Most classrooms will have two room parents that work together to coordinate activities.

If you are interested in being your child's classroom ROOM PARENT, please cut the bottom portion and return to the Preschool Office with your enrollment forms by **JULY 15th.** Room Parents will be selected at the beginning of school. Thank you!
