June

Frank Lloyd Wright's Laurent House & Anderson Japanese Gardens

This trip involves moderate walking and standing

Decades before the Americans with Disabilities Act, Frank Lloyd Wright designed this single-story, open floor plan home for Ken Laurent, a World War II veteran unable to walk, and his wife, Phyllis. With its wheelchair-friendly layout, this is the only home the prolific architect ever built for a person with a physical disability. The couple lived in it for 60 years until 2012 when they both passed away. This property Wright referred to as his "little gem" is an example of the architect's simplified, modern and more affordable Usonian houses, a precursor to the modern-day ranch.

Social Services

At Your Service!

Our part-time staff member, Margie Fischer, M.A., offers a variety of helpful information to members of our community. Topics include in-home services, community resources, help with applying for benefits, Medicare information, caregiver support and more. Margie has compiled a handy resource booklet tailored to our local area. The 40-page Guide to Community Services for Older Adults and Their Families is available for free at the Patty Turner Center. It can be mailed out upon request. Margie is generally in the office on Tuesday and Wednesday. Stop in, call, leave a voicemail, or send an email to Margie@pattyturnercenter.org. PTC Social Services is a partnership between West Deerfield Township and the Deerfield Park District. Service is friendly, free, and confidential.

Grant Money Available!

The West Deerfield Township Accessibility Grant for disabled residents is aimed at improving quality of life through increased access to the community. Grants up to \$1000 per household per year may be awarded. Expenses which may qualify for this program include things like home modifications, mobility equipment, adaptive communication devices, some therapies, etc. Older adults are encouraged to apply!! The program is intended to assist those WDT residents with the greatest financial need, but there is no stated income limit. Application forms are available at PTC, the township office, and online. Grants are awarded quarterly; the next application deadline is June 30th. For more info, call the Township at 847-945-0614 or PTC Social Services.

Caruso “GrandFriends” Fund

There is a small fund available to assist lower income older adults to pay a portion of their membership and program fees at the PTC. The GrandFriends Fund was originated and is supported by the fundraising efforts of the students at Caruso Middle School. Margie can provide eligibility and program information. Participation is strictly confidential.

New Medicare Cards Coming!

The word is that Medicare is mailing new cards to ILLINOIS beneficiaries beginning in JULY! Instead of your Social Security Number, the new card will have a new number that's unique to you. You don't have to do anything to get your new card—Medicare will automatically mail it to you, so be sure your address is current with the Social Security Administration. Once you get your new Medicare card, destroy your old Medicare card and start using the new one right away. Mailing all of the cards will take time, so you might get your card at a different time than your spouse, friend, or neighbor. And, remember, no one from Medicare will call or contact you uninvited to ask for your personal information.

SHIP Answers Your Medicare Questions

PTC is a host site for the Illinois Department on Aging's SHIP (Senior Health Insurance Program). How convenient is that!? SHIP is a national program that provides FREE counseling and information on

- Enrollment
- Prescription Drug Plans
- Supplemental Plans
- Subsidies to offset the cost of Medicare
- Claims and Appeals

Trained volunteers are ready to answer your questions. Appointments are required and can be made by calling the Front Desk or Margie in Social Services. Smart beneficiaries use SHIP because “The Best Choice is an Educated Choice!”

Telephone Reassurance

Each business day, a West Deerfield Township staff member makes friendly calls to any homebound township resident who wants someone to check on them. Call the WDT office at 847-945-0614 to set up the service. A similar program is the Lake County Sheriff's Office "R.U. OK?" program. It, too, offers a personal telephone wellness check to those who are homebound and living alone. Interested in participating? Request an application by contacting the Lake County Community Services Team at 847-377-4211.

Blue Bag Program

Keeps Documents Handy

Be prepared! The Blue Bag is handy all-in-one packet containing your information ready to grab in an emergency-- health info, medication lists, POA, DNR, emergency contacts, and more. It comes with instructions to be placed where our local EMTs know to look for it. The Program is a collaboration between the PTC and the Deerfield-Bannockburn Fire Department. FREE for local residents.

ACES: Family Caregiver Support

Are you caring for your spouse, parent, or other relative? You're not alone! Join our vital group of family caregivers! You'll meet others in our community who, like you, are caring for an older adult loved one. You'll be with people who get what you're going through. You can learn useful resources, ask for advice, and vent frustrations. Studies show that caregivers reduce their stress, have improved health, and provide better care when part of caregiver group. C'mon over! We meet on the 2nd and 4th Wednesday of the month at 1pm in the PTC library.

In addition, this summer we'll also meet as a group to attend two caregiver-related Community Education Events on June 20th and July 18th at 12:30PM at Highland Park Country Club. FREE. For more info call Margie at PTC 847-940-4010.

Do care obligations keep you from attending our Support Groups? Here's a solution! Through our treasured partnership with Faith in Action Volunteers, we are able to offer some respite options. On-site supervision of your loved one in our front lobby may be available during the Alzheimer and ACES meetings. Care recipients must be comfortable being apart from their loved one, have appropriate behavior, and be able to use the restroom on their own. Also, on a more limited basis, a trained Faith in Action volunteer may come to your home, if needed, while you attend the ACES meeting. For both services, pre-screening and reservations are required. There is never a fee. Please call Margie at PTC for eligibility requirements and more information.
