Services for Residents with Disabilities

Deerfield Park District is a partner with Northern Suburban Special Recreation Association (NSSRA). Formed in 1970, NSSRA is an extension of ten park districts, two cities and one village in the northern suburbs of Chicago and provides and facilitates year-round recreation programs and services for children, teens and adults with disabilities. NSSRA offers recreation, sport, cultural, social, and leisure programs and events available throughout the year, creating new experiences, opportunities for skill development, leisure time, and perhaps most importantly, friendship. NSSRA has been creating an environment of belonging through play since 1970, and has the distinction of being the first Special Recreation Association in the country.

We believe that everyone should have the chance to try something new. This means you have the opportunity to participate in any one of NSSRA's nearly 600 annual programs, or that you have the opportunity to participate in one of the Deerfield Park District programs with the assistance of an NSSRA Inclusion companion.

Inclusion Services

Deerfield Park District program Inclusion services are available to residents with special needs at no additional cost to the family. Inclusion services may include, when necessary, staff training, program modifications/adaptations, modified equipment and program observations.

Reasons to Request Inclusion Services

- » A parent or family member recognizes that a participant would benefit from additional support in a Deerfield Park District program.
- » Deerfield Park District staff identifies a need for additional support, for safety and programmatic reasons, and communicates this need to the family.

Requesting Inclusion Services

- » When registering for a Deerfield Park District program for the first time:
- » Mark the accommodation Section of the registration form to indicate that the participant will require assistance from NSSRA.
- » Once your registration form is submitted, the Deerfield Park District will contact you to discuss the type of Inclusion support needed for the participant.
- » The Deerfield Park District will provide NSSRA with an Inclusion request that contains both program and participant information.
- » You will be contacted by NSSRA to discuss the needs of the participant and get input on the type of support required.
- » NSSRA will work with the Deerfield Park District to put the necessary Inclusion accommodations in place for participation in the desired program(s).

Communication between you, NSSRA, and Deerfield Park District staff continues throughout the Inclusion process.

Refunds for Recreation Programs

A recreation program is defined as a program in which park district personnel teach activities or skills over a period of two or more class meetings. Sports leagues, camps, preschool, After School Club, trips, special events, season passes and one-day classes and workshops are considered special refund categories.

- » A refund may be obtained two (2) business days prior to the first day of class/program. A 10 percent service charge (\$5 minimum; \$10 maximum) will be deducted from the amount paid for the program(s).
- » Once a program or class begins, and prior to it ending, you may request a prorated refund based on the number of classes attended and the date the refund request is received. A 10 percent service charge (\$5 minimum; \$10 maximum) will be assessed.
- » If a class is rescheduled, relocated, or changed by the park district, a total refund will be made if requested by the participant.
- » Refunds will be offered if a class is canceled or closed by the park district.
- » If a participant is dropped from a program at the request and discretion of the district staff, a refund will be made, less prorated cost of classes held.
- » In lieu of a refund, participants may transfer money to other currently offered activities. The amount to be transferred (refunded) will be prorated based on the number of classes that have already been held.
- » All requests for refunds and/or transfers must be in writing and turned in to the Registration Office.

Program/Participant Conduct

The Deerfield Park District reserves the right to suspend, expel or deny participation in any program or facility to any person whose behavior materially interferes or disrupts the quality of those offerings, the enjoyment of them by other participants or the ability of staff to conduct or manage the activities or facilities. A child's parent or guardian will be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District administrator/supervisor; a third incident may result in the expulsion or suspension of the

child from the program, event or facility.

If a child engages in behavior(s) which may result in bodily harm to others, an immediate meeting with the parent may be called. If such behavior warrants it, immediate suspension or expulsion may result. Temporary suspension from participation due to misconduct will not entitle participant to a refund.

An adult shall receive one verbal or written warning. The second incident may result in suspension from the program, event or facility. If an adult physically strikes a person or object or throws an object at another person, or takes any other action that may pose a real threat of bodily harm to others, or is verbally abusive to others, s/he may immediately be suspended or expelled from the program or facility.

Insurance

Deerfield Park District cannot assume responsibility for injuries or accidents occurring at programs, activities, parks and facilities within our jurisdiction. To do so would make our program and user fees prohibitive. Certain activities, facilities and equipment may, when used improperly, cause harm or personal injury. We make every effort to notify you of potentially dangerous situations and to provide rules for the proper use of equipment and facilities. You can avoid injury by following the rules, using good sense and being considerate of both Park District property and others using it.

Infectious Diseases, Food Allergies, Medication, Illness

Infectious Diseases: To prevent the spread of communicable diseases, such as strep, pink eye and fifth's disease, parents should report any diagnosed cases to the Park District office. If exposure to other participants occurred, a notification is sent home.

Food Allergies: Many of our preschool, as well as cooking and other classes, will serve food; therefore, it is imperative that you notify the full-time Recreation Supervisor of any food allergies or dietary restrictions your child may have.

Medication: If your child requires medication (inhaler, epi-pen, etc.) during class, medication administration forms must be completed. Please call our registration office (847-945-0650) for details.

Illness: Please do not attend class nor send children who are ill to class.

Photo Permission

Our staff or designees often take pictures or video at programs and events for: brochures and other marketing materials; website; and other print, electronic and online publicity. Most people are delighted to see pictures of themselves or their family members in our publicity. Photographers from print or other media outlets may also take pictures or video on occasion. We welcome the coverage and hope you do too; it is frequently how the public learns what is happening at the Park District. We cannot guarantee that a photo taken will be used or not be used, nor promise that it will only be used in certain circumstances. If you prefer your family members' pictures not be taken, please notify us in writing. NOTE: If you do see a photo posted to our website, Facebook page, or other Park District site of you or your family member that you would like removed, just request the photo to be taken down by commenting on the picture or by emailing Sherry@deerfieldparks.org.
