EMERGENCY CLOSING

The Deerfield Park District endeavors to keep its facilities and programs operating whenever possible. There may be times; however, when weather, road conditions or facility malfunctions dictate that programs and/or services must be canceled or temporarily postponed or entire facilities closed. In such cases, Deerfield Park District reserves the right to close a particular facility or cancel a program based on the following criteria:

- Whenever an unscheduled closing or cancellation occurs, the park district will make every effort to communicate to patrons via the park district Weather Hotline (847-317-2555), the website www.deerfieldparks.org, and the metropolitan Chicago Emergency Closing Center website www.emergencyclosing.com.
- Local School Closings: Whenever School District 109 cancels school due to snow related weather conditions, all Deerfield Park District Preschool classes and all programs held at school sites will also be canceled. Closing other park district facilities or canceling classes will be made on a case by case basis. Park district facilities themselves will remain open for nonscheduled activities (e.g. fitness center use, registration, etc.) unless specifically directed to close due to weather conditions.
- Facility Specific Conditions: In the event that conditions prompting closing arise at a specific facility (e.g. high winds, power outages, equipment malfunctions, flooding), classes may be canceled or the facility temporarily closed until the condition has been resolved.
- ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield. See General Information section for more information.
- The following are contact numbers regarding the cancellation of programs due to poor or unsafe weather conditions:

BOARD OF COMMISSIONERS

Dear Neighbors,

Working recreation into your lifestyle during the winter months can seem a bit challenging, but the Deerfield Park District offers many options to keep you healthy and in shape.

Sachs Recreation Center has 100,000 square feet of indoor options for adults, teens and children. Drop in programs include pickleball, volleyball, open gym and open swim. Weekly programs offerings for adults span from yoga to archery to jungle gym training. Kids can learn to swim or try a new sport like fencing or tennis. They can also have fun in Kids Korner babysitting while their parents are working out. Did you know that you can drop in for any exercise class, swim laps and utilize the abundance of exercise equipment, all included with your SRC membership? Come by for a tour of this amazing park district facility.

New project development this winter includes planning for an upgraded playground at Brickyards Park. A generous donation will be made to the park district from Scott and Debbie Rudin in memory of their son Kenny, so that once the playground renovation is complete, the playground will be named the Kenny Rudin Playground. The district and the Rudin Family have been working together on this project to ensure that the playground overhaul includes equipment and features with a heavy emphasis on inclusive play.

We are entering the end stages of Phase 1 of Jewett Park 2.0. In time for Veterans Day, the Veteran's Memorial has been relocated closer to the Jewett Park Community Center. The skatepark is in the final stages of a full reconstruction. The south parking lot adjacent to the community center and the upgrades to the ballfields are nearing completion. Thank you for bearing with us as we continue to improve and beautify Jewett Park.

If you haven't yet filled out our survey about beekeeping, head to the news & announcements section on our website to learn more about the advantages of beekeeping and let us know if you support the park district pursuing a beekeeping program. We would love to hear what you think!

Our new Deerfield Park District App will soon be available to download on your mobile device. The app allows you to scan and save your membership card, then use the app to scan in to the pools, Deerfield Golf Club & Learning Center and Sachs Recreation Center. The app is also designed to keep you up to date on district happenings and provide some of the most searched-for information from our website.

Winter characters will again visit the Candy Cane Train, an event that takes place on the Metra Train, departing from the Deerfield Metra stop on December 8. Guests will enjoy seasonal snacks, a train ride with Santa and stories reflective of the holiday season. Keeping the kids busy over the holidays is also easy with Deerfield Park District Trips & Camps. A variety of options exist so your child can experience something new each day. Just visit our website at deerfieldparks.org and sign them up today!

Our warmest wishes to you and your family for a healthy and happy winter season.

DEERFIELD AYSO

WWW.DEERFIELDAYSO.ORG

AYSO (Area Youth Soccer Association) was established in the Los Angeles area in 1964 with nine teams. Today, AYSO is a national organization with 50,000 teams and over 500,000 players. AYSO works because of dedicated volunteers committed to the six AYSO Philosophies:

Everyone Plays® Our program's goal is for kids to play soccer so we mandate that every player on every team must play at least 50 percent of every game. It's no fun to spend the game on the bench... and that's no way to learn soccer!

Balanced Teams Each year we form new teams as evenly balanced as possible because it's more fun and a better learning experience when teams of similar ability play. It allows for each player to gain the experience of a wide variety of teammates of different skill levels.

Open Registration Our program is open to all children who want to register and play soccer. Interest and enthusiasm are the only criteria for playing. There are no elimination try-outs and nobody gets cut.

Positive Coaching Encouragement of player effort provides for greater enjoyment for the players and leads to better-skilled and better-motivated players. A coach can be one of the most influential people in a child's life, so AYSO requires they create a positive experience for every boy and girl.

GOOD SPORTSMANSHIP

We strive to create a positive environment based on mutual respect rather than a win-at-all-costs attitude, and our program is designed to instill good sportsmanship in every facet of AYSO.

Player Development We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.

AYSO EXTRA

The AYSO EXTRA Program is designed to provide a more challenging level of play for those players who possess the appropriate interest, skills and abilities and to enhance each player's experience and individual growth through the game of soccer while retaining the spirit and organization of AYSO. The goal of EXTRA is to strengthen AYSO by retaining players and volunteers in additional programs operated under the AYSO philosophies. EXTRA is not designed to overshadow or harm the standard primary program.

Players must participate in the standard AYSO primary program to be eligible for the EXTRA program. The EXTRA program involves two additional weekly training sessions, one utilizing professional trainers and one utilizing volunteer team coaches, and one additional, challenging game against other local north suburban EXTRA teams. All EXTRA teams compete in a tournament at the end of the season. For more information, visit www.deerfieldayso.org.

YOUNG WARRIORS YOUTH FOOTBALL

Young Warriors tackle football program for grades 4-8 concentrates on football basics, with emphasis on instruction and fundamentals. Practice begins August 12 and is held five days per week, 5:30-7:30 PM, through August 19. When school begins, practice is reduced to three evenings a week until the end of the season. Games will be played on Sundays at Deerfield High School and on the fields of other league members. (This is a traveling league; half the games are played at opponents' fields in September and October.)

Teams will be formed based on players' grade and weight. All participants must have a completed medical history form signed by a licensed physician. The Young Warriors program will furnish helmets, shoulder pads and jerseys. Other equipment is the responsibility of the player. There will be state-certified trainers onsite during all games.

The Young Warriors organization is a member of the Central Suburban Youth Football Association which includes Northbrook, Glenview, Wilmette, Evanston, Winnetka, Morton Grove, Kenilworth, Vernon Hills, Lake Forest and Highland Park. Young Warriors is a not for profit and all volunteer organization. Registration is held in May at the Young Warrior Football Association building behind Caruso Middle School. For dates and more information, call 847-948-0927 between 6 and 9:30 PM or check the website: youngwarriorsfootball.com. If you miss the May registration, forms can be downloaded from the website, filled out and sent to P.O. Box 7011, Deerfield IL 60015.

PEGASUS FC SOCCER

Pegasus FC, a nonprofit organization, is one of the largest independent soccer clubs in the northern suburbs. For more than 30 years, Pegasus has provided travel soccer for boys and girls of all ages. Pegasus's mission is to develop young soccer players and instill in them a love for the game. As a nonprofit and affiliate of the Deerfield Park District, we also seek to build a family and community environment where our players build long-term friendships that will help them both on and off the soccer field.

We offer soccer during the fall (August to November), winter (December to March), and spring (April to June) seasons. Our players typically train two to three times per week and have games on the weekends. We also participate in various tournaments throughout the season.

Pegasus differentiates itself from other travel soccer programs through its commitment to retaining high-caliber coaches who are devoted to maximizing the potential of our players and teams. We have had a great deal of success in recent years, with many of our teams winning their divisions and also bringing home trophies from tournaments.

For more information about our programs, which also include pre-travel sessions for our younger players, visit www.pegasusfc.org, email us at mimi@pegasusfc.org, or call 847-533-9145.

COHO SWIM CLUB

COHO SWIM CLUB GENERAL INFORMATION

The COHO Swim Club is a developmental and competitive swimming club. COHO is a co-sponsored organization of the Park Districts of Deerfield and of Highland Park. Our mission is to promote the spirit of competition, the character of individuals, and the pride of team through swimming. In keeping with our philosophy of providing a well-rounded, quality developmental and competitive program for swimmers of all ages and abilities, COHO Swim Club offers professional technique instruction and training.

COHO is divided into Developmental, Age Group, Senior, and Masters Programs. The number and length of practices depends on the group. Swimmers are assigned to groups by coaches and must follow the specific schedule for their group. This system allows our coaching staff to meet the individual needs of each swimmer.

NEW SWIMMER TRYOUTS

Tryouts for new swimmers will be by appointment only, space permitting, after Thanksgiving. Please contact Jeff Napolski at jeff@teamcoho.org or 847-572-2626 for more information.

The minimum skill requirements for COHO are: Individuals, ages 5 and over must be able to swim 1 length of freestyle with rhythmic breathing (face in the water, turning the head to the side to breathe), 1 length of backstroke, demonstrate basic breaststroke, be able to go underwater to the bottom of the pool in the shallow end, and be comfortable swimming in the deep end.

REGISTRATION FOR RETURNING SWIMMERS

Please visit our website at www.teamcoho.org and click on the **REGISTRATION** tab. New swimmers may not register for COHO until they have completed a try out.

ADDITIONAL FEES

In addition to the Deerfield Park District program fee, we require payment of the USA/IL Swimming registration fee and the COHO Club fee.

The USA/IL Swimming fee covers a required annual registration with USA and IL Swimming. This fee is paid once a year per swimmer and renews every fall. The amount is the same for every swimmer ($79).

The COHO Club fee is paid every season, and goes directly to COHO to cover team t-shirts, team caps, some social events and all meet entry fees. This amount varies by group ($30 Minnows & Sharks; $45 White groups; $60 Blue groups; $80 Red & Gold groups).

Special Note

For all groups: practice times, locations, and days will vary. General season schedules and monthly schedules are posted on the club website at www.teamcoho.org.

Winter practices are held at both Deerfield High School & Sachs Recreation Center.

TENNIS - YOUTH

DEERFIELD PARK DISTRICT TENNIS

Dana Joseph and Chris Cabanban of First Serve Management and their team of instructors provide tennis services indoors at Sachs Recreation Center (SRC) and outdoors at Mitchell Park. Family-friendly programming encourages students to play the sports for a lifetime and provides a path to pursue the level they wish to attain. From beginning recreational players looking for fitness and fun to tournament competitors, instructors understand people play tennis for different reasons. The quality and experience of their teaching distinguishes First Serve Management from their peers. Their entire staff is certified by either the USPTA or the USPTR and is constant from the start of a lesson session to the end.

Program brochures are sent to the 60015 zip code, but this can include areas that are not part of the Deerfield Park District.

Jewett Park Skatepark & Ballfields

REGISTRATION INFORMATION

FINANCIAL ASSISTANCE

Residents experiencing difficulty paying program fees should contact the Park District.

RESIDENT & SPECIAL SCHOOL DISTRICT #109 AND #113 RATES

Resident rates will apply to those who live within the Park District boundaries.

If a participant does not live within the park district boundaries but enrolls in a program that is held at a District 109 or 113 school and they reside in that school district, then they pay the resident rate.

SENIOR AGE

As of January 1, 2020 the senior age for all Deerfield Park District memberships, passes and fees will be age 65.

Those who purchased senior memberships on or before December 31, 2019, and are under age 65, will be grandfathered in and receive senior rates until they reach age 65.

PROOF OF RESIDENCY

To receive "Resident" rates and priority in registration, you are required to show PROOF OF RESIDENCY when signing up for ANY Deerfield Park District program. Online registration users who have set up an account do not need to show proof of residency again at this time. Proof of residency includes both:

- A current residential utility bill (gas, electric, water-no phone bills accepted) with your name stating your mailing address and service address as being the same.
- A valid driver's license or photo-ID containing your current address.

Proof of residency needs to be brought in to Jewett Park Community Center, Patty Turner Center, Sachs Recreation Center, or Deerfield Golf Club. We do this to ensure that the registration procedures remain fair. Thank you for your compliance and assistance.

IMPROPER REGISTRATION

Those who register for our programs and improperly use a Deerfield address are removed from the class and no refund or transfer fee is provided. Non-residents pay a higher fee per program. Non-resident fees are shown second in program descriptions. Note: Non-residents are not eligible for resident fees even if their caretaker, provider, or relative resides in Deerfield.

CONTRIBUTIONS TO GRANTS-IN-AID

Voluntary contributions to the Deerfield Park Foundation for our Grants-in-Aid (Scholarship) Fund can be made on the registration form. The fund is used for people who are in serious financial need, to participate in park district programs. The Board of Park Commissioners has a policy that no person will be denied access to recreation programs or facilities because of an inability to pay fees. Please know that the program is strictly confidential and is closely monitored by the Director of Recreation. We appreciate your support.

REFUNDS FOR RECREATION PROGRAMS

A recreation program is defined as a program in which park district personnel teach activities or skills over a period of two or more class meetings. Sports leagues, camps, preschool, After School Club, trips, Sarah Hall Theatre, special events, season passes and one-day classes and workshops are considered special refund categories.

- A refund may be obtained two (2) business days prior to the first day of class/program. A 10 percent service charge ($5 minimum; $10 maximum) will be deducted from the amount paid for the program(s).
- Once a program or class begins, and prior to it ending, you may request a prorated refund based on the number of classes attended and the date the refund request is received. A 10 percent service charge ($5 minimum; $10 maximum) will be assessed.
- If a class is rescheduled, relocated, or changed by the park district, a total refund will be made if requested by the participant.
- Refunds will be offered if a class is canceled or closed by the park district.
- If a participant is dropped from a program at the request and discretion of the district staff, a refund will be made, less prorated cost of classes held.
- In lieu of a refund, participants may transfer money to other currently offered activities. The amount to be transferred (refunded) will be prorated based on the number of classes that have already been held.

Jaycee Park Playground

GENERAL INFORMATION

MISSION STATEMENT

To provide outstanding parks, services, facilities and recreation programs that enrich lives, promote healthy living and inspire memorable experiences.

PARK DISTRICT PHILOSOPHY

The Park Board recognizes the need to provide and maintain sufficient and attractive parks, open space, recreation facilities and programs to serve equitably, and without prejudice, all the people of the Park District in the provision of leisure time activities.

Every opportunity shall be afforded, within financial limits, to plan, procure, develop and maintain park and recreation resources, and to provide leadership for the wholesome and constructive use of leisure time. The provisions of quality recreational services in the most efficient manner, at the least possible cost, and without significantly duplicating the efforts of other agencies, will be emphasized at all times. This includes the development of cooperative agreements with other agencies directly and indirectly involved with leisure services in the District.

The provision of recreation, park and conservation services must be considered as a positive opportunity for people of the District to share with each other, to develop leadership capacities, to learn skills for present and future enjoyment, and to emphasize responsibilities to each other as well as to the community.

BE A GOOD NEIGHBOR

Please respect the rights and property of neighbors of our parks. Use public sidewalks/pathways. Drive carefully in lots, driveways and nearby streets. Trees, bushes, fences, etc., should not be used as bathrooms. Keep your dog on a leash, remain on public property, clean up pet waste, and place trash in park receptacles. To report vandalism, call 847-945-8636.

PROGRAM/PARTICIPANT CONDUCT

The Deerfield Park District reserves the right to suspend, expel or deny participation in any program or facility to any person whose behavior materially interferes or disrupts the quality of those offerings, the enjoyment of them by other participants or the ability of staff to conduct or manage the activities or facilities.

A child's parent or guardian will be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District administrator/supervisor; a third incident may result in the expulsion or suspension of the child from the program, event or facility.

If a child engages in behavior(s) which may result in bodily harm to others, an immediate meeting with the parent may be called. If such behavior warrants it, immediate suspension or expulsion may result. Temporary suspension from participation due to misconduct will not entitle participant to a refund.

An adult shall receive one verbal or written warning. The second incident may result in suspension from the program, event or facility. If an adult physically strikes a person or object or throws an object at another person, or takes any other action that may pose a real threat of bodily harm to others, or is verbally abusive to others, s/he may immediately be suspended or expelled from the program or facility.

KEEPING OUR PARKS BEAUTIFUL

To provide safe, healthy and aesthetically pleasing parks, we engage in the limited use of lawn care products as part of an integrated pest management program. A one-time annual application of herbicide to park and school sites is usually completed between Aug. 15 – Nov. 1 of each year. We publicize the date of the application and inform the appropriate school sites and residents who have asked to be advised of this process.

PHOTO PERMISSION

Our staff or designees often take pictures or video at programs and events for: brochures and other marketing materials; website; and other print, electronic and online publicity. Most people are delighted to see pictures of themselves or their family members in our publicity. Photographers from print or other media outlets may also take pictures or video on occasion. We welcome the coverage and hope you do too; it is frequently how the public learns what is happening at the Park District. We cannot guarantee that a photo taken will be used or not be used, nor promise that it will only be used in certain circumstances. If you prefer your family members' pictures not be taken, please notify us in writing. NOTE: If you do see a photo posted to our website, Facebook page, or other Park District site of you or your family member that you would like removed, just request the photo to be taken down by commenting on the picture or by emailing Sherry@deerfieldparks.org. For questions or more information, you may also call our Communications Manager at 847-945-0650.

INSURANCE

Deerfield Park District cannot assume responsibility for injuries or accidents occurring at programs, activities, parks and facilities within our jurisdiction. To do so would make our program and user fees prohibitive. Certain activities, facilities and equipment may, when used improperly, cause harm or personal injury. We make every effort to notify you of potentially dangerous situations and to provide rules for the proper use of equipment and facilities. You can avoid injury by following the rules, using good sense and being considerate of both Park District property and others using it.

We have a recycling container and a trash can at every backstop, picnic shelter and playground.

Let's do our part to keep all our parks clean!

THORGUARD

ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield, from April through November. Horns are tested the first Tuesday of each of these months, at 10 AM. Should you hear the horn or see the strobe light at other times—or any time lightning seems possible—be sure to seek shelter. The system is meant to warn the public that conditions are right for possible lightning danger. This system is not 100 percent accurate, as it operates on radio waves which are variable. As not every unit will go off simultaneously, the public is asked to please use common sense when conditions appear threatening, even if ThorGuard warnings are not heard or seen.

Follow these warnings for safety:

- One prolonged horn blast signifies a strong lightning risk.
- The strobe light signals a continuing lightning alert condition.
- Three short horn blasts (and ceasing of strobe light illumination) signal it may be safe to return to the area, but use discretion.

INFECTIOUS DISEASES, FOOD ALLERGIES, MEDICATION, ILLNESS

Infectious Diseases: To prevent the spread of communicable diseases, such as strep, pink eye and fifth's disease, parents should report any diagnosed cases to the Park District office. If exposure to other participants occurred, a notification is sent home.

Food Allergies: Many of our preschool, as well as cooking and other classes, will serve food; therefore, it is imperative that you notify the full-time Recreation Supervisor of any food allergies or dietary restrictions your child may have.

Medication: If your child requires medication (inhaler, epi-pen, etc.) during class, medication administration forms must be completed. Please call our registration office (847-945-0650) for details.

Illness: Please do not attend class nor send children who are ill to class.

AMERICANS WITH DISABILITIES ACT

Our Park District and other public agencies are subject to the provisions of the Americans with Disabilities Act (ADA) which prohibits discrimination in the services, programs or facilities provided to individuals with disabilities.

If you believe that, in accordance with the Americans with Disabilities Act, special assistance may be required when participating in a program, using a facility or receiving a service, please call Laura McCarty, *Director of Recreation* at 847-572-2615.

Services for Residents with Disabilities

Deerfield Park District is a partner with Northern Suburban Special Recreation Association (NSSRA). Formed in 1970, NSSRA is an extension of ten park districts, two cities and one village in the northern suburbs of Chicago and provides and facilitates year-round recreation programs and services for children, teens and adults with disabilities. NSSRA offers recreation, sport, cultural and social programs and events available throughout the year, creating new experiences, opportunities for skill development, leisure time, and perhaps most importantly, friendship. NSSRA has been creating an environment of belonging through play since 1970, and has the distinction of being the first Special Recreation Association in the country.

We believe that everyone should have the chance to try something new. This means you have the opportunity to participate in any one of NSSRA's 500 annual programs, or that you have the opportunity to participate in one of the Deerfield Park District programs with the assistance of an NSSRA Inclusion companion.

Reasons to Request Inclusion Services

- A parent or family member recognizes that a participant would benefit from additional support in a Deerfield Park District program.
- Deerfield Park District staff identifies a need for additional support, for safety and programmatic reasons, and communicates this need to the family.

Requesting Inclusion Services

When registering for a Deerfield Park District program for the first time:

- Mark the accommodation Section of the registration form to indicate that the participant will require assistance from NSSRA.
- Once your registration form is submitted, the Deerfield Park District will contact you to discuss the type of Inclusion support needed for the participant.
- The Deerfield Park District will provide NSSRA with an Inclusion request that contains both program and participant information.
- You will be contacted by NSSRA to discuss the needs of the participant and get input on the type of support required.
- NSSRA will work with the Deerfield Park District to put the necessary Inclusion accommodations in place for participation in the desired program(s).
- Communication between you, NSSRA, and Deerfield Park District staff continues throughout the Inclusion process.
