MUSIC & ART

Virtual Drawing

Susie Mason brings her warm teaching style to this virtual drawing class. Students will be able to be creative and draw their own subject matter while receiving feedback and instruction from the instructor. Classes are kept small so that each student will receive individual attention. Students must provide their own materials. Upon registration the instructor will contact you with Zoom information.

Virtual Intro to Ukulele

Join Madeline Morris in a virtual group ukulele lesson. This class will teach the basics of ukulele including tuning, 1, 2, and 3 finger chords, strumming, finger picking, and tab. Students will learn a combination of folk and pop songs with a virtual recital on the last day of class.

Groups will be kept small to ensure each student needs are being met. Section 01 will meet once weekly for a 1-hour session and Section 02 will meet twice weekly for a half hour long session each day. An additional 15 minute weekly Private lesson can be added on under section 03. Students must provide their own ukulele. Upon registration the instructor will contact you with Zoom information.

Voice Lessons – Can be done Virtually or in person!

Do you love to sing? Would you like to improve your sound, learn proper techniques, and have fun? Voice lessons are a great way to build confidence and poise while singing songs you enjoy. Each lesson will be tailored to meet your needs and goals. Madeline Morris has a master's degree in music education, has been teaching and performing since 1997, and is a current member of Apollo Chorus of Chicago and a former voice student of Anne Marie Ouverson Bice of Northwestern University. Private and Semi-Private Lessons are available. Following registration, the instructor will contact you to set up a time.

Reading Rookies

Give your child the keys to reading success. This virtual enrichment class uses thematic fun, multi-sensory instruction, games, crafts and stories to teach children in their last year of preschool how to build their letter and sound knowledge. Each weekly lesson focuses on 2-3 letters. The lessons will ignite your child's reading interest, while improving your child's ability to hear, identify and manipulate individual sounds. By the end of the session, your child will have the building blocks to become a successful reader. Because Reading Rookies is built around multi-sensory lessons, regardless of your child's learning style, your child will thrive, have fun and learn!

*Fee includes a \$40 non-refundable materials fee- materials will be delivered to your home.

*An adult needs to be available to assist with activities and technology

*Children must be entering kindergarten in Fall 2021.

E-SPORTS LEAGUES

GG Leagues

E-sports is here! Turn on your console, grab your controller and compete against each other online. Take on opponents in Rocket League. Players must have on-line access to a Playstation 4, Xbox, Nintendo Switch or computer and own the game. This video game is a high-speed arcade-style vehicular soccer mayhem with easy-to-understand controls making it ideal for any age. Your team will play the best of five each week.

All leagues will be broken down based on skill level to provide an even playing field for all players.

Each week players will be scheduled to play one match. Weekly matches will last approximately 45 minutes.

On October 17, the top 4 teams will play a single elimination bracket. Playoffs typically run for 3 hours for the winning teams, so please plan accordingly.

Regular season will be played in a round robin format. Round robin format is when each team will have an opportunity to play a different team each week.

Playoffs will be a single elimination bracket. The top 4 teams from each division will play in a single day, single elimination bracket. Single elimination means that if you win, you will move onto the next round. Once you lose in the playoffs, you are eliminated.

Location: Virtual

Ages: 6+

Instructor: GG Leagues

Min/Max: 1/99

Rocket League

Rocket League is a family friendly game where you play soccer as cars. Players aim to score the most goals within the time limit. Rocket League is an easy game to pick up, you can learn the basics and controls within two minutes of playing. Within 10 minutes of starting you will already think you are able to compete. The more you play, the more you improve and understand the controls. Rocket League is rated E for everyone.
