EMERGENCY CLOSING

The Deerfield Park District endeavors to keep its facilities and programs operating whenever possible. There may be times, however, when weather, road conditions or facility malfunctions dictate that programs and/or services must be canceled or temporarily postponed or entire facilities closed. In such cases, Deerfield Park District reserves the right to close a particular facility or cancel a program based on the following criteria:

- Whenever an unscheduled closing or cancellation occurs, the park district will make every effort to communicate to patrons via the park district Weather Hotline (847-317-2555), the website deerfieldparks.org, and the metropolitan Chicago Emergency Closing Center website emergencyclosingcenter.com.
- Local School Closings: Whenever School District 109 cancels school due to snow related weather conditions, all Deerfield Park District Preschool classes and all programs held at school sites will also be canceled. Closing other park district facilities or canceling classes will be made on a case by case basis. Park district facilities themselves will remain open for nonscheduled activities (e.g. fitness center use, registration, etc.) unless specifically directed to close due to weather conditions.
- Facility Specific Conditions: In the event that conditions prompting closing arise at a specific facility (e.g. high winds, power outages, equipment malfunctions, flooding), classes may be canceled or the facility temporarily closed until the condition has been resolved.
- ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield. See General Information section for more information.

Dear Neighbors,

Here in Deerfield, we have a lot to cheer about this July and August as nine athletes from North Shore Rhythmic Gymnastics and one athlete from the WNBA Chicago Sky will travel to Tokyo to represent Team USA in the Olympics! We are proud of these amazing athletes who call the Sachs Recreation Center not only their practice facility but their home away from home. Follow us on Facebook or check our website for schedules so you can cheer our hometown athletes to victory!

The Deerfield Park District is proud to have been selected as a finalist for the 2021 National Gold Medal Awards for Excellence in Park and Recreation Management by the American Academy for Park and Recreation Administration (AAPRA), in partnership with the National Recreation and Park Association (NRPA). The National Gold Medal Awards program honors communities in the United States that demonstrate excellence in parks and recreation through long-range planning, resource management, volunteerism, environmental stewardship, program development, professional development and agency recognition. The final step in the process now that we have been selected as one of the top four in our class was to submit a finalist video showcasing our agency and highlighting our unique programs, services and partnerships (click here to check out our video). Watch our website for an update as the winner in each class will be announced in September at the National Recreation and Park Association conference.

The park district has also been working on a community needs assessment. You can read more about the assessment process on page 6. The district will also be holding a Floral Park dedication on Saturday, August 21 at 1:30 pm. The public is invited to attend.

In June, the Doctors Test Center wrapped up the Covid-19 vaccination site at the Patty Turner Center. With the completion of this essential collaborative program comes the ability for the Patty Turner Center to welcome back its members to enjoy a plethora of in-person programming including art classes, fitness, excursions and special events. Check out the Patty Turner Center pages to see the many options for enjoying the fall season with friends.

Fall is also the perfect time to get back into a workout regimen at Sachs Recreation Center. We are offering indoor and outdoor group exercise classes, a virtual library of exercise classes for members to access from home, open gym times, lap swimming, access to fitness equipment and weights, personal training and more. Come in and check us out, your body and mind will thank you!

Additionally, we have lots of late summer and fall special events planned combining recreation and seasonal fun. There are so many events to choose from including Walk, Ride & Roll, Parent’s Night Out, Haunted Ceramics, Jewett Jingle Jam and Noon Year’s Eve. View event dates and details on pages 15-19 and page 59. Event information and direct access to registration is also available on our website calendar of events at deerfieldparks.org/events.

Deerfield Park District’s Mission Statement
The Deerfield Park District strives to serve the Deerfield Community with outstanding parks, services, facilities and recreation programs that enrich lives, promote healthy living and inspire memorable experiences.

Six Strategic Plan Strategies
1. Organizational Excellence 🏆
2. Customer Engagement ⚽️
3. Community Engagement 🏈
4. Going Green/Environmental Stewardship 🌿
5. Expand & Enhance Parks & Properties 🏕️
6. Enhance Existing Facilities & Add New Ones 🔧

COMMUNITY NEEDS ASSESSMENT
The Deerfield Park District has been working on a community needs assessment. The assessment includes a board visioning session, a staff visioning session, a Delphi Committee focus group with local stakeholders and the administration of a community survey, working with the Public Research Group. The survey will be mailed or emailed to a random sample of residents to help guide the district in program and service enhancements and future projects.

The survey is a key element of how the district can best serve the community and we encourage everyone who receives the survey to complete and return it to the district. An additional component of the survey process will be to post the survey on the district’s website after the random sampling survey process is complete to add to the compilation of the community's parks and recreation needs. Information on that posting will be provided in the upcoming months.

NATIONAL GOLD MEDAL AWARD
The Deerfield Park District is proud to have been selected as a finalist for the 2021 National Gold Medal Awards for Excellence in Park and Recreation Management by the American Academy for Park and Recreation Administration (AAPRA), in partnership with the National Recreation and Park Association (NRPA).

The National Gold Medal Awards program honors communities in the United States that demonstrate excellence in parks and recreation through long-range planning, resource management, volunteerism, environmental stewardship, program development, professional development and agency recognition. The final step in the process now that we have been selected as one of the top four in our class was to submit a finalist video showcasing our agency and highlighting our unique programs, services and partnerships [click here to check out our video]. Watch our website for an update as the winner in each class will be announced in September at the National Recreation and Park Association conference.

SWALCO CLOTHING & TEXTILE COLLECTION PROGRAM
Continuing to focus on environmental stewardship, the park district has partnered with the Solid Waste Agency of Lake County (SWALCO) to provide outdoor donation collection boxes at the Deerfield Golf Club on the northeast corner of the parking lot and at the Patty Tuner Center accessible from the parking lot, on the west side of the building.

This is a full-circle program where new and gently used clothing and textile donations are accepted. Almost all of the accepted materials will be reused, repurposed or recycled. Sites do generate a small amount of revenue which will be utilized for projects that enhance our going green commitment.
SHADE STRUCTURE DEDICATION

On June 28, Dr. Amy Brodsky, her staff and family joined us for the dedication of the Jewett Park Preschool Shade Structures that were purchased with funds donated by the Pediatric Sun Protection Foundation Inc. in January of 2020. Park District Executive Director Jeff Nehila introduced Dr. Brodsky and Len Kasper, the radio play by play announcer for the Chicago White Sox, who shared their stories about the importance of sun safety with community members and summer campers in attendance.

ANDI AND PHIL ROSENTHAL’S MEMORIAL STATUE

The DYBA (Deerfield Youth Baseball and Softball Association) honored Andi and Phil Rosenthal on June 13 at the dedication of a statue that has been placed in their memory. The statue is located at Jewett Park along the pathway behind Field 2. Thank you to the friends and family of the Rosenthal’s, we are so proud to help celebrate their lives.

Our BRAND-NEW CURRICULUM promises to engage you and your child using our age-appropriate and research-based interactive curriculum. Kindermusik is the world’s leading provider of music-based education for children from birth through age seven. Reading Rookies
Give your child the keys to reading success. This enrichment class uses thematic fun, multi-sensory instruction, games, crafts, and stories to teach children in their last year of preschool how to build their letter and sound knowledge. Each weekly lesson focuses on 2-3 letters. The lessons will ignite your child’s reading interest, while improving your child’s ability to hear, identify, and manipulate individual sounds. By the end of the session, your child will have the building blocks to become a successful reader. Volunteer Coaches
Volunteer coaches staff our youth basketball league teams. The basketball program requires a lot of energy from a thoughtful, creative, concerned group of volunteer coaches comprised of parents and other adults who love sports and instructing children. Effective coaches fully support a positive youth sports philosophy in their attitude and behavior at practice, games and events. You help the players learn skills, discuss fair play and most of all, have fun. Look at coaching as an opportunity not only to teach sports skills, but also to achieve something far more significant –helping children reach their full potential.

Interested volunteer coaches, should fill out a Coach Application. Download the application from, deerfieldparks.org, or pick one up at the registration desk at 836 Jewett Park Drive.

Deerfield Small Group Summer Golf Camps

Our Small Group Summer Camps will replace our Full and Half Day Camps for 2021. These sessions will be run by our professional staff and will include a series of instructional segments each day in addition to time on the golf course with a coach. The instruction portion of these classes will be broken into small skill stations that will consist of drills and exercises focused on full swing, short game and putting. We will also discuss etiquette and rules as we prepare the golfers for time on the golf course. All these classes will maintain a 4:1 coach to teacher ratio to ensure social distancing practices, as necessary. If you have a group of four friends that would like to create a group, we may be able to create a custom time/schedule for you.
Contact Derek@deerfieldgolf.org for more information.

Junior Masters

Our Junior Masters Golf program focuses on teaching our young golfers the fundamentals of the game of golf. Our goal is to provide the foundation for a lifetime of golf. In this class golfers will now use real golf equipment as we introduce full swing mechanics including: grip, stance and posture. The class will also spend time on chipping, pitching and putting. This class has been designed for parent participation. Our instructors will help parents interact with their child as it relates to golf and help them provide proper feedback.

Deerfield Junior Golf Academy Travel Team

The Deerfield Junior Golf Academy Travel Team is a steppingstone for those junior golfers that want to play high school golf. The goal of this program is to prepare team members for competitive situations that they will face in IJGA events, and eventually on their high school team. Our travel teams meet for practice two times per week throughout the season. Each practice will focus on skill development through a series of competitive drills and exercises led by our professional staff. Participants in this class MUST have experience playing and keep score. Members of our travel team are encouraged to play and practice on their own in addition to scheduled practices and matches. In addition to the two weekly team practices, our players will compete in a series of nine hole matches as part of the North Shore Junior Golf Tour. These matches will occur at Deerfield golf club and at other local north shore clubs. Matches will take place on Saturdays for the fall and spring seasons, and on Mondays for the summer season. Team members will receive a team golf shirt or hat. Summer session has a vacation friendly option. Tournament round greens fees of $20 per player/per tournament not included.

SCORE Putting School

Did you know that the best players in the world make only 50% of their putts from eight feet?
Becoming a better putter is the fastest way to lower your golf scores. Our SCORE Putting School will explore proper putting technique and introduce you to drills that will lead to better feel and control. Students will learn the importance of distance control and clubface control and will be introduced to techniques to train them properly. This class will also explore the art of reading greens and what a golfer should look for as they read a putt. Our goal is that each golfer leaves this class as a more confident putter.

• When registering, provide details about medical condition(s) that require staff attention.
• If you fax in your form, please do not send a duplicate by mail.
• Payment may be made by check or Visa, MasterCard, Discover or American Express credit cards. If paying by credit card, make sure the card number, expiration date and cardholder’s signature are completed and legible on the registration form.
• Do not use cash if you drop off registrations in the drop-off box.
• An adult participant, parent or guardian must sign the waiver on the bottom of the registration form. It is mutually understood that the fax registration document, including the waiver and release of all claims, shall substitute for and have the same legal effect as the original form.

WAITING LISTS
• If you select a class and it’s full, you will be put on a waiting list. We will notify you of all class placements, cancellations, and/or changes.

PRIORITY REGISTRATION FOR DEERFIELD PARK DISTRICT RESIDENTS
People who live within the boundaries of the Deerfield Park District always have first priority in our registration process. However, having a Deerfield address does not always mean that you are a resident of our Park District. Program brochures are typically sent to the 60015 zip code, but this can include areas that are not part of the Deerfield Park District.

The safety of our participants, visitors and staff is our top priority. We will continue to establish protocols based on COVID-19 guidelines established by Federal, State of Illinois, county and local entities. Thank you for your cooperation.
Volunteers from Go Green Deerfield and the Friends of the Chicago River teamed up on Chicago River Day to clean up and beautify the land and water at Briarwood Park.

FINANCIAL ASSISTANCE
Residents experiencing difficulty paying program fees should contact the Park District.

RESIDENT & SPECIAL SCHOOL DISTRICT 
#109 AND #113 RATES
Resident rates will apply to those who live within the Park District boundaries. If a participant does not live within the park district boundaries but enrolls in a program that is held at a District 109 or 113 school and they reside in that school district, then they pay the resident rate.

SENIOR AGE
As of January 1, 2020 the senior age for all Deerfield Park District memberships, passes and fees will be age 65. Those who purchased senior memberships on or before December 31, 2019, and are under age 65, will be grandfathered in and receive senior rates until they reach age 65.

PROOF OF RESIDENCY
To receive “Resident” rates and priority in registration, you are required to show PROOF OF RESIDENCY when signing up for ANY Deerfield Park District program. Online registration users who have set up an account do not need to show proof of residency again at this time. Proof of residency includes both:
• A current residential utility bill (gas, electric, water-no phone bills accepted) with your name stating your mailing address and service address as being the same.
• A valid driver’s license or photo-ID containing your current address.
Proof of residency needs to be brought in to Jewett Park Community Center, Patty Turner Center, Sachs Recreation Center, or Deerfield Golf Club. We do this to ensure that the registration procedures remain fair. Thank you for your compliance and assistance.

IMPROPER REGISTRATION
Those who register for our programs and improperly use a Deerfield address are removed from the class and no refund or transfer fee is provided. Non-residents pay a higher fee per program. Non-resident fees are shown second in program descriptions. Note: Non-residents are not eligible for resident fees even if their caretaker, provider, or relative resides in Deerfield.

CONTRIBUTIONS TO GRANTS-IN-AID
Voluntary contributions to the Deerfield Park Foundation for our Grants-in-Aid (Scholarship) Fund can be made on the registration form. The fund is used for people who are in serious financial need, to participate in park district programs. The Board of Park Commissioners has a policy that no person will be denied access to recreation programs or facilities because of an inability to pay fees. Please know that the program is strictly confidential and is closely monitored by the Director of Recreation. We appreciate your support.

REFUNDS FOR RECREATION PROGRAMS
A recreation program is defined as a program in which park district personnel teach activities or skills over a period of two or more class meetings. Sports leagues, camps, preschool, After School Club, trips, Sarah Hall Theatre, virtual sewing classes, special events, season passes and one-day classes and workshops are considered special refund categories.
• A refund may be obtained two (2) business days prior to the first day of class/program. A 10 percent service charge ($5 minimum; $10 maximum) will be deducted from the amount paid for the program(s).
• Once a program or class begins, and prior to it ending, you may request a prorated refund based on the number of classes attended and the date the refund request is received. A 10 percent service charge ($5 minimum; $10 maximum) will be assessed.
• If a class is rescheduled, relocated, or changed by the park district, a total refund will be made if requested by the participant.
• Refunds will be offered if a class is canceled or closed by the park district.
• If a participant is dropped from a program at the request and discretion of the district staff, a refund will be made, less prorated cost of classes held.
• In lieu of a refund, participants may transfer money to other currently offered activities. The amount to be transferred (refunded) will be prorated based on the number of classes that have already been held.
MISSION STATEMENT
To provide outstanding parks, services, facilities and recreation programs that enrich lives, promote healthy living and inspire memorable experiences.

PARK DISTRICT PHILOSOPHY
The Park Board recognizes the need to provide and maintain sufficient and attractive parks, open space, recreation facilities and programs to serve equitably, and without prejudice, all the people of the Park District in the provision of leisure time activities.

Every opportunity shall be afforded, within financial limits, to plan, procure, develop and maintain park and recreation resources, and to provide leadership for the wholesome and constructive use of leisure time. The provisions of quality recreational services in the most efficient manner, at the least possible cost, and without significantly duplicating the efforts of other agencies, will be emphasized at all times. This includes the development of cooperative agreements with other agencies directly and indirectly involved with leisure services in the District.

The provision of recreation, park and conservation services must be considered as a positive opportunity for people of the District to share with each other, to develop leadership capacities, to learn skills for present and future enjoyment, and to emphasize responsibilities to each other as well as to the community.

BE A GOOD NEIGHBOR
Please respect the rights and property of neighbors of our parks. Use public sidewalks/pathways. Drive carefully in lots, driveways and nearby streets. Trees, bushes, fences, etc., should not be used as bathrooms. Keep your dog on a leash, remain on public property, clean up pet waste, and place trash in park receptacles. To report vandalism, call 847-945-0636.

PROGRAM/PARTICIPANT CONDUCT
The Deerfield Park District reserves the right to suspend, expel or deny participation in any program or facility to any person whose behavior materially interferes or disrupts the quality of those offerings, the enjoyment of them by other participants or the ability of staff to conduct or manage the activities or facilities.

A child’s parent or guardian will be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District administrator/supervisor; a third incident may result in the expulsion or suspension of the child from the program, event or facility.

If a child engages in behavior(s) which may result in bodily harm to others, an immediate meeting with the parent may be called. If such behavior warrants it, immediate suspension or expulsion may result. Temporary suspension from participation due to misconduct will not entitle participant to a refund.

An adult shall receive one verbal or written warning. The second incident may result in suspension from the program, event or facility. If an adult physically strikes a person or object or throws an object at another person, or takes any other action that may pose a real threat of bodily harm to others, or is verbally abusive to others, s/he may immediately be suspended or expelled from the program or facility.

PHOTO PERMISSION
Our staff or designees often take pictures or video at programs and events for: brochures and other marketing materials; website; and other print, electronic and online publicity. Most people are delighted to see pictures of themselves or their family members in our publicity. Photographers from print or other media outlets may also take pictures or video on occasion. We welcome the coverage and hope you do too; it is frequently how the public learns what is happening at the Park District. We cannot guarantee that a photo taken will be used or not be used, nor promise that it will only be used in certain circumstances. If you prefer your family members’ pictures not be taken, please notify us in writing. NOTE: If you do see a photo posted to our website, Facebook page, or other Park District site of you or your family member that you would like removed, just request the photo to be taken down by commenting on the picture or by emailing Sherry@deerfieldparks.org. For questions or more information, you may also call our Communications Manager at 847-945-0650.

INSURANCE
Deerfield Park District cannot assume responsibility for injuries or accidents occurring at programs, activities, parks and facilities within our jurisdiction. To do so would make our program and user fees prohibitive. Certain activities, facilities and equipment may, when used improperly, cause harm or personal injury. We make every effort to notify you of potentially dangerous situations and to provide rules for the proper use of equipment and facilities. You can avoid injury by following the rules, using good sense and being considerate of both Park District property and others using it.

KEEPING OUR PARKS BEAUTIFUL
To provide safe, healthy and aesthetically pleasing parks, we engage in the limited use of lawn care products as part of an integrated pest management program. A one-time annual application of herbicide to park and school sites is usually completed between Aug. 15 – Nov. 1 of each year. We publicize the date of the application and inform the appropriate school sites and residents who have asked to be advised of this process.

The safety of our participants, visitors and staff is our top priority. We will continue to establish protocols based on COVID-19 guidelines established by Federal, State of Illinois, county and local entities. Thank you for your cooperation.

The Deerfield Park District and its employees are not responsible for photos either on Facebook or on Deerfield Park District websites. If you see a photo posted on our Facebook page or on our website, please notify us in writing. NO: If you do see a photo posted to our website, Facebook page, or other Park District site of you or your family member that you would like removed, just request the photo to be taken down by commenting on the picture or by emailing Sherry@deerfieldparks.org. For questions or more information, you may also call our Communications Manager at 847-945-0650.
THORGUIDE
ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield, from April through November. Horns are tested the first Tuesday of each of these months, at 10 AM. Should you hear the horn or see the strobe light at other times—or any time lightning seems possible—be sure to seek shelter. The system is meant to warn the public that conditions are right for possible lightning danger. This system is not 100 percent accurate, as it operates on radio waves which are variable. As not every unit will go off simultaneously, the public is asked to please use common sense when conditions appear threatening, even if ThorGuard warnings are not heard or seen.

Follow these warnings for safety:
• One prolonged horn blast signifies a strong lightning risk.
• The strobe light signals a continuing lightning alert condition.
• Three short horn blasts (and ceasing of strobe light illumination) signal it may be safe to return to the area, but use discretion.

FOOD ALLERGIES, MEDICATION, ILLNESS
Infectious Diseases: To prevent the spread of communicable diseases, such as strep, pink eye and fifth’s disease, parents should report any diagnosed cases to the Park District office. If exposure to other participants occurred, a notification is sent home.

Food Allergies: Many of our preschool, as well as cooking and other classes, will serve food; therefore, it is imperative that you notify the full-time Recreation Supervisor of any food allergies or dietary restrictions your child may have.

Medication: If your child requires medication (inhaler, epi-pen, etc.) during class, medication administration forms must be completed. Please call our registration office (847-945-0650) for details.

Illness: Please do not attend class nor send children who are ill to class.

AMERICANS WITH DISABILITIES ACT
Our Park District and other public agencies are subject to the provisions of the Americans with Disabilities Act (ADA) which prohibits discrimination in the services, programs or facilities provided to individuals with disabilities.

If you believe that, in accordance with the Americans with Disabilities Act, special assistance may be required when participating in a program, using a facility or receiving a service, please call Laura McCarty, Director of Recreation at 847-572-2615.

Services for Residents with Disabilities
Deerfield Park District is a partner with Northern Suburban Special Recreation Association (NSSRA). Formed in 1970, NSSRA is an extension of ten park districts, two cities and one village in the northern suburbs of Chicago and provides and facilitates year-round recreation programs and services for children, teens and adults with disabilities. NSSRA offers recreation, sport, cultural and social programs and events available throughout the year, creating new experiences, opportunities for skill development, leisure time, and perhaps most importantly, friendship. NSSRA has been creating an environment of belonging through play since 1970, and has the distinction of being the first Special Recreation Association in the country.

We believe that everyone should have the chance to try something new. This means you have the opportunity to participate in any one of NSSRA’s 500 annual programs, or that you have the opportunity to participate in one of the Deerfield Park District programs with the assistance of an NSSRA Inclusion companion.

INCLUSION SERVICES
Deerfield Park District program Inclusion services are available to residents with special needs at no additional cost to the family. Inclusion services may include, when necessary, staff training, program modifications/adaptations, modified equipment and program observations.

Reasons to Request Inclusion Services
• A parent or family member recognizes that a participant would benefit from additional support in a Deerfield Park District program.
• Deerfield Park District staff identifies a need for additional support, for safety and programmatic reasons, and communicates this need to the family.

Requesting Inclusion Services
When registering for a Deerfield Park District program for the first time:
• Mark the accommodation Section of the registration form to indicate that the participant will require assistance from NSSRA.
• Once your registration form is submitted, the Deerfield Park District will contact you to discuss the type of Inclusion support needed for the participant.
• The Deerfield Park District will provide NSSRA with an Inclusion request that contains both program and participant information.
• You will be contacted by NSSRA to discuss the needs of the participant and get input on the type of support required.
• NSSRA will work with the Deerfield Park District to put the necessary Inclusion accommodations in place for participation in the desired program(s).
• Communication between you, NSSRA, and Deerfield Park District staff continues throughout the Inclusion process.
