EMERGENCY CLOSING

The Deerfield Park District endeavors to keep its facilities and programs operating whenever possible. There may be times, however, when weather, road conditions or facility malfunctions dictate that programs and/or services must be canceled or temporarily postponed or entire facilities closed. In such cases, Deerfield Park District reserves the right to close a particular facility or cancel a program based on the following criteria:

- Whenever an unscheduled closing or cancellation occurs, the park district will make every effort to communicate to patrons via the park district Weather Hotline (847-317-2555), the website deerfieldparks.org, and the metropolitan Chicago Emergency Closing Center website emergencyclosingcenter.com.

- Local School Closings: Whenever School District 109 cancels school due to snow related weather conditions, all Deerfield Park District Preschool classes and all programs held at school sites will also be canceled. Closing other park district facilities or canceling classes will be made on a case by case basis. Park district facilities themselves will remain open for nonscheduled activities (e.g. fitness center use, registration, etc.) unless specifically directed to close due to weather conditions.

- Facility Specific Conditions: In the event that conditions prompting closing arise at a specific facility (e.g. high winds, power outages, equipment malfunctions, flooding), classes may be canceled or the facility temporarily closed until the condition has been resolved.

- ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield. See General Information section for more information.

WINTER 2022
Although we make every effort to ensure the accuracy of each and every program, we reserve the right to make changes and corrections. The safety of our participants, visitors and staff is our top priority. We will continue to follow all COVID-19 guidelines established by Federal, State of Illinois, county and local entities. Thank you for your cooperation.
Dear Neighbors,

We hope that you were able to watch the Chicago Sky in the WNBA finals in October. Our kudos to the coaching staff and team members on their first WNBA championship win! What a phenomenal accomplishment to reach this elite status. We are thrilled to have the team practicing at Sachs Recreation Center and showcasing their dedication and athleticism. Check out page 7 for more exciting news about our partnership with the Chicago Sky.

In November we welcome back an in-person Deerfield Family Theater production of School House Rock. Attendees will be required to wear masks and be seated in socially distances pods, so come out and enjoy this family friendly show! Show dates and ticket sales are available at deerfieldfamilytheater.com.

Thank you to everyone who sent in survey responses for our Community Wide Survey. We are tabulating results and also sending out follow up questions for a deeper dive to help us understand what Deerfield Park District can do to meet the wants and needs of its residents. We look forward to sharing the survey results and facilitating future opportunities utilizing resident feedback.

The park district, like so many other local businesses, feels the constraints of the tight job market. We continue to be competitive with our wages to retain the highest caliber of staff, follow and often exceed the mandated minimum wage requirements, while also proudly being the first employer for hundreds of Deerfield High School students. As these wages increase, you may see fees for classes, events and passes rise as a result. Please know that we continue to remain competitive when compared to other opportunities in the area.

As the temperatures get colder this winter, our parks are still open for business so continue to go outside and recreate! What better way to play in the colder weather than enjoying our outdoor ice rinks? Ice rinks will again be available at Jaycee, Patty Stryker and Briarwood Parks. To check ice rink status visit deerfieldparks.org/icerinks or download the Deerfield Park District App. Not a fan of the Chicago chill? Take a look at the wide assortment of group exercise classes offered at the Sachs Recreation Center as we begin to move some of our outdoor classes back inside.

The first week of the new year will bring new programs and event opportunities. Check out all of the offerings in this program guide. Consider trying a new activity and join us in reimagining recreation. We have come a long way in these past two years. The park board, along with park district staff members, have spent a lot of time planning and replanning, imagining and reimagining, with one ultimate end goal; to serve the residents of Deerfield and provide the best possible programming, facilities and parks for our residents. Have fun exploring your community this winter!

Stay safe and be well,
Board of Commissioners

GREAT THINGS ARE HAPPENING IN DEERFIELD!

FLORAL PARK DEDICATION
On Saturday, August 21 community members, dignitaries and park board members gathered for the Floral Park Dedication. At their November 19, 2020 board meeting, the Deerfield Park District Board of Commissioners voted on the renaming of Mitchell Park. The Park Board voted to change the name from Mitchell Park to Floral Park. The name was one option provided by an Advisory Committee that was comprised of representatives from local governments, agencies and citizens at large. Floral was the name of the initial subdivision planned for development in 1959 before the property acquisition was approved by a public election referendum in December 1959. Thank you to all who assisted in this process and were able to join us for the dedication.

NRPA GOLD MEDAL FINALIST PLAQUE
We brought a finalist plaque home to Deerfield in September from the National Recreation and Park Association conference!
As previously announced on May 11, 2021, the Deerfield Park District was selected as a finalist for the 2021 National Gold Medal Awards for Excellence in Park and Recreation Management by the American Academy for Park and Recreation Administration, in partnership with the National Recreation and Park Association.
Founded in 1965, the National Gold Medal Awards program honors communities in the United States that demonstrate excellence in parks and recreation through long-range planning, resource management, volunteerism, environmental stewardship, program development, professional development and agency recognition.
We are honored to have been in the final four in our population category alongside amazing parks and recreation professionals throughout the United States. Pictured here are many of the amazing staff at the Deerfield Park District who work tirelessly to provide exemplary services to the community. Thank you to all of them for the work that they do to make applying for a prestigious Gold Medal Award possible.
The Deerfield Park District received recognition with an Illinois Association of Park District’s (IAPD) Best of the Best Award. Deerfield was selected for the partnership with the Doctors Test Centers and were recognized at the IAPD awards Gala on October 15.

This award is intended to recognize non-governmental organizations that have collaborated with a park district in a significant manner.

By developing a partnership with a private medical provider, Doctors Test Centers, the Deerfield Park District established a Facility Use Agreement with the Doctors Test Centers for a district facility to be used as a COVID-19 Regional Vaccine Center. Through this partnership, 12,000 on-site and another 8,000 off-site vaccines were provided to local and regional residents since late March 2021. The opportunity to contribute to the public health of all persons desiring a vaccine during a global pandemic is perhaps one of the most significant partnerships ever established by the Deerfield Park District.

We are honored to have worked alongside the Doctors Test Centers during the pandemic and are grateful for the opportunity to help reduce the effects of a pandemic and provide direct assistance through vaccine distribution.

HUGE congratulations to our friends at Chicago Sky, the 2021 WNBA CHAMPIONS! This is the first Championship title in organization history! Ann Crosby, Director of Basketball Operations/Strength and Conditioning Coach for the Chicago Sky, attended the October 21, 2021 board meeting. The Board of Commissioners recognized the Chicago Sky for their accomplishment, mentioned numerous partnership milestones with the Deerfield Park District and recognized the championship achievement by officially naming what is referred to as the Bulls Gym at the Sachs Recreation Center as the Chicago Sky Gym.

**NORTHERN SUBURBAN SPECIAL RECREATION ASSOCIATION (NSSRA)**

Provides and facilitates year-round recreation and leisure opportunities for children, teens and adults with disabilities who live in 13 northern suburban communities including Deerfield.

Serving approximately 1,800 individuals with disabilities, NSSRA participants range in age from preschoolers, youth and teens through young adults, adults and seniors. NSSRA has nearly 500 recreation, sport, cultural and social offerings available throughout the year, creating new experiences, opportunities for skill development, leisure time, and most importantly, friendship.

NSSRA's Inclusion support option provides individuals with disabilities the opportunity to enjoy full participation in partner agency programs while receiving the individualized one-on-one support they need to succeed. Through its programs and services, NSSRA removes the barriers that might prevent an individual with disabilities from full participation in the fun and richness of experience that life has to offer.

For information on Inclusion services or to make arrangements for accommodation, contact Deerfield's NSSRA Inclusion Liaison, Laura McCarty, at 847-572-2615 or laura@deerfieldparks.org, or visit nssra.org.

Coho Age Group Program

We offer 3 levels for swimmer ages 10 and under, and 3 levels for swimmers ages 11-13. Within both age groups these levels are White, Blue and Red. There are specific requirements and practice schedules for each level. Swimmers must follow the schedule for their assigned age group and level. The primary focus in the White levels is to learn and develop the technical aspects of all four of the competitive strokes, racing starts, and turns. Swimmers will also experience an introduction to training concepts and acquire skills in preparation for competition. The Blue and Red levels are more advanced and composed mostly of swimmers who have achieved “B” times from the USA Swimming National Age Group Motivational Time Standards. In these groups, swimmers will build upon elements learned previously, while continuing to improve their technique, and expanding on training concepts. The general practice days/times are listed below but will vary due to the DHS swim and water polo schedules. Please refer to the calendar on the COHO website. NOTE: Program Fee includes a COHO Club Fee of $50.00 for White, $65.00 for Blue, and $85.00 for Red which covers the cost of a team t-shirt, swim cap, and meet entry fees for the season. **Coho Senior Program**

Our Senior Program is designed to incorporate the training the training needs of all high school swimmers (eighth graders may be placed here in the spring if they are ready to train at this level). There are 2 groups within the Senior Program (Gold 1 and Gold 2) and the Head Senior Coach will have the final say on group assignments. Strength Training is an important part of training in the Senior Program, and all program fees include strength training workouts. Gold 1 is intended to provide both a training environment for athletes to be successful not only within COHO, but also the high school level. Swimmers are expected to attend at least 70% of swim workouts and communicate with the coaching staff about their training schedule. Gold 2 is intended to provide a more intense environment for State level swimmers who are dedicated to training and competing year-round. Swimmers are expected to attend 85% of all workouts including morning practices and dryland and communicate with the coaching staff about their training schedule. Swimmers who cannot meet the requirements and expectations of Gold 2 may be re-assigned to Gold 1.

The winter season for Gold begins on 1/9/21, but conditioning practices will be offered between the end of HS girls’ season and the start of winter COHO. The general practice days/times are listed below but will vary due to the DHS swim and water polo schedules. Please refer to the calendar on the COHO website. ONLINE REGISTRATION
You may register online for most activities. Web registration is quick and convenient. You can view real time availability and save time!

First time registering online?
Please follow the “Register Online” links at deerfieldparks.org to get started.

Who is eligible?
Any household with a valid email address is eligible to register online. For Deerfield Park District residents to receive resident rates, proof of residence is required.

What programs are available?
The majority of park district programs are available online, with a few exceptions. These are usually programs that require tryouts, prerequisites, or prior instructor approval.

Will I know right away if I get in?
Yes. Online registration works in real time, so, as soon as you complete the payment process and get a confirmation email your enrollment is confirmed. If a class is full, you may join the wait list online.

PROGRAM CANCELLATION
PLEASE REGISTER EARLY! If enough participants are not registered, classes may be canceled. Those waiting until the last minute or for the first day of class may find it's too late.

REGISTRATION FORMS
Additional registration forms can be downloaded online at deerfieldparks.org/forms. Forms are also available at any of our facilities.

REGISTRATION STEPS
• Print legibly in ink.
• Read the registration form carefully and fill it out completely, including class names, activity code numbers and sections.
• Once a registration form is turned in, it cannot be changed.
• When registering, provide details about medical condition(s) that require staff attention.

• An adult participant, parent or guardian must sign the waiver on the bottom of the registration form. It is mutually understood that the fax registration document, including the waiver and release of all claims, shall substitute for and have the same legal effect as the original form.

WAITING LISTS
• If you select a class and it’s full, you will be put on a waiting list. We will notify you of all class placements, cancellations, and/or changes.

PRIORITY REGISTRATION FOR DEERFIELD PARK DISTRICT RESIDENTS
People who live within the boundaries of the Deerfield Park District always have first priority in our registration process. However, having a Deerfield address does not always mean that you are a resident of our Park District. Program brochures are typically sent to the 60015 zip code, but this can include areas that are not part of the Deerfield Park District.

The safety of our participants, visitors and staff is our top priority. We will continue to establish protocols based on COVID-19 guidelines established by Federal, State of Illinois, county and local entities. Thank you for your cooperation.
FINANCIAL ASSISTANCE
Residents experiencing difficulty paying program fees should contact the Park District.

RESIDENT & SPECIAL SCHOOL DISTRICT
#109 AND #113 RATES
Resident rates will apply to those who live within the Park District boundaries. If a participant does not live within the park district boundaries but enrolls in a program that is held at a District 109 or 113 school and they reside in that school district, then they pay the resident rate.

SENIOR AGE
As of January 1, 2020 the senior age for all Deerfield Park District memberships, passes and fees will be age 65. Those who purchased senior memberships on or before December 31, 2019, and are under age 65, will be grandfathered in and receive senior rates until they reach age 65.

PROOF OF RESIDENCY
To receive "Resident" rates and priority in registration, you are required to show PROOF OF RESIDENCY when signing up for ANY Deerfield Park District program. Online registration users who have set up an account do not need to show proof of residency again at this time. Proof of residency includes both:

• A current residential utility bill (gas, electric, water-no phone bills accepted) with your name stating your mailing address and service address as being the same.
• A valid driver’s license or photo-ID containing your current address.

Proof of residency needs to be brought in to Jewett Park Community Center, Patty Turner Center, Sachs Recreation Center, or Deerfield Golf Club. We do this to ensure that the registration procedures remain fair. Thank you for your compliance and assistance.

IMPROPER REGISTRATION
Those who register for our programs and improperly use a Deerfield address are removed from the class and no refund or transfer fee is provided. Non-residents pay a higher fee per program. Non-resident fees are shown second in program descriptions. Note: Non-residents are not eligible for resident fees even if their caretaker, provider, or relative resides in Deerfield.

CONTRIBUTIONS TO GRANTS-IN-AID
Voluntary contributions to the Deerfield Park Foundation for our Grants-in-Aid (Scholarship) Fund can be made on the registration form. The fund is used for people who are in serious financial need, to participate in park district programs. The Board of Park Commissioners has a policy that no person will be denied access to recreation programs or facilities because of an inability to pay fees. Please know that the program is strictly confidential and is closely monitored by the Director of Recreation. We appreciate your support.

REFUNDS FOR RECREATION PROGRAMS
A recreation program is defined as a program in which park district personnel teach activities or skills over a period of two or more class meetings. Sports leagues, camps, preschool, After School Club, trips, Sarah Hall Theatre, virtual sewing classes, special events, season passes and one-day classes and workshops are considered special refund categories.

• A refund may be obtained two (2) business days prior to the first day of class/program. A 10 percent service charge ($5 minimum; $10 maximum) will be deducted from the amount paid for the program(s).
• Once a program or class begins, and prior to it ending, you may request a prorated refund based on the number of classes attended and the date the refund request is received. A 10 percent service charge ($5 minimum; $10 maximum) will be assessed.
• If a class is rescheduled, relocated, or changed by the park district, a total refund will be made if requested by the participant.
• Refunds will be offered if a class is canceled or closed by the park district.
• If a participant is dropped from a program at the request and discretion of the district staff, a refund will be made, less prorated cost of classes held.
• In lieu of a refund, participants may transfer money to other currently offered activities. The amount to be transferred (refunded) will be prorated based on the number of classes that have already been held.

MISSION STATEMENT
To provide outstanding parks, services, facilities and recreation programs that enrich lives, promote healthy living and inspire memorable experiences.

PARK DISTRICT PHILOSOPHY
The Park Board recognizes the need to provide and maintain sufficient and attractive parks, open space, recreation facilities and programs to serve equitably, and without prejudice, all the people of the Park District in the provision of leisure time activities.

Every opportunity shall be afforded, within financial limits, to plan, procure, develop and maintain park and recreation resources, and to provide leadership for the wholesome and constructive use of leisure time. The provisions of quality recreational services in the most efficient manner, at the least possible cost, and without significantly duplicating the efforts of other agencies, will be emphasized at all times. This includes the development of cooperative agreements with other agencies directly and indirectly involved with leisure services in the District.

The provision of recreation, park and conservation services must be considered as a positive opportunity for people of the District to share with each other, to develop leadership capacities, to learn skills for present and future enjoyment, and to emphasize responsibilities to each other as well as to the community.

BE A GOOD NEIGHBOR
Please respect the rights and property of neighbors of our parks. Use public sidewalks/pathways. Drive carefully in lots, driveways and nearby streets. Trees, bushes, fences, etc., should not be used as bathrooms. Keep your dog on a leash, remain on public property, clean up pet waste, and place trash in park receptacles.

To report vandalism, call 847-945-8636.

PROGRAM/PARTICIPANT CONDUCT
The Deerfield Park District reserves the right to suspend, expel or deny participation in any program or facility to any person whose behavior materially interferes or disrupts the quality of those offerings, the enjoyment of them by other participants or the ability of staff to conduct or manage the activities or facilities.

A child’s parent or guardian will be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District administrator/supervisor; a third incident may result in the expulsion or suspension of the child from the program, event or facility.

If a child engages in behavior(s) which may result in bodily harm to others, an immediate meeting with the parent may be called. If such behavior warrants it, immediate suspension or expulsion may result. Temporary suspension from participation due to misconduct will not entitle participant to a refund.

An adult shall receive one verbal or written warning. The second incident may result in suspension from the program, event or facility. If an adult physically strikes a person or object or throws an object at another person, or takes any other action that may pose a real threat of bodily harm to others, or is verbally abusive to others, s/he may immediately be suspended or expelled from the program or facility.

PHOTO PERMISSION
Our staff or designees often take pictures or video at programs and events for: brochures and other marketing materials; website; and other print, electronic and online publicity. Most people are delighted to see pictures of themselves or their family members in our publicity. Photographers from print or other media outlets may also take pictures or video on occasion. We welcome the coverage and hope you do too; it is frequently how the public learns what is happening at the Park District. We cannot guarantee that a photo taken will be used or not be used, nor promise that it will only be used in certain circumstances. If you prefer your family members’ pictures not be taken, please notify us in writing. NOTE: If you do see a photo posted to our website, Facebook page, or other Park District site of you or your family member that you would like removed, just request the photo to be taken down by commenting on the picture or by emailing Sherry@deerfieldparks.org. For questions or more information, you may also call our Communications Manager at 847-945-0650.

INSURANCE
Deerfield Park District cannot assume responsibility for injuries or accidents occurring at programs, activities, parks and facilities within our jurisdiction. To do so would make our program and user fees prohibitive. Certain activities, facilities and equipment may, when used improperly, cause harm or personal injury. We make every effort to notify you of potentially dangerous situations and to provide rules for the proper use of equipment and facilities. You can avoid injury by following the rules, using good sense and being considerate of both Park District property and others using it.

KEEPING OUR PARKS BEAUTIFUL
To provide safe, healthy and aesthetically pleasing parks, we engage in the limited use of lawn care products as part of an integrated pest management program. A one-time annual application of herbicide to park and school sites is usually completed between Aug. 15 – Nov. 1 of each year. We publicize the date of the application and inform the appropriate school sites and residents who have asked to be advised of this process.
THOR GUARD
Thorguard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield, from April through November. Horns are tested the first Tuesday of each of these months, at 10 AM. Should you hear the horn or see the strobe light at other times—or any time lightning seems possible—be sure to seek shelter. The system is meant to warn the public that conditions are right for possible lightning danger. This system is not 100 percent accurate, as it operates on radio waves which are variable. As not every unit will go off simultaneously, the public is asked to please use common sense when conditions appear threatening, even if Thorguard warnings are not heard or seen.

Follow these warnings for safety:
• One prolonged horn blast signifies a strong lightning risk.
• The strobe light signals a continuing lightning alert condition.
• Three short horn blasts (and ceasing of strobe light illumination) signal it may be safe to return to the area, but use discretion.

FOOD ALLERGIES, MEDICATION, ILLNESS

Infectious Diseases: To prevent the spread of communicable diseases, such as strep, pink eye and fifth’s disease, parents should report any diagnosed cases to the Park District office. If exposure to other participants occurred, a notification is sent home.

Food Allergies: Many of our preschool, as well as cooking and other classes, will serve food; therefore, it is imperative that you notify the full-time Recreation Supervisor of any food allergies or dietary restrictions your child may have.

Medication: If your child requires medication (inhaler, epi-pen, etc.) during class, medication administration forms must be completed. Please call our registration office (847-945-0650) for details.

Illness: Please do not attend class nor send children who are ill to class.

AMERICANS WITH DISABILITIES ACT
Our Park District and other public agencies are subject to the provisions of the Americans with Disabilities Act (ADA) which prohibits discrimination in the services, programs or facilities provided to individuals with disabilities.

If you believe that, in accordance with the Americans with Disabilities Act, special assistance may be required when participating in a program, using a facility or receiving a service, please call Laura McCarty, Director of Recreation at 847-572-2615.

Services for Residents with Disabilities
Deerfield Park District is a partner with Northern Suburban Special Recreation Association (NSSRA). Formed in 1970, NSSRA is an extension of ten park districts, two cities and one village in the northern suburbs of Chicago and provides and facilitates year-round recreation programs and services for children, teens and adults with disabilities. NSSRA offers recreation, sport, cultural and social programs and events available throughout the year, creating new experiences, opportunities for skill development, leisure time, and perhaps most importantly, friendship. NSSRA has been creating an environment of belonging through play since 1970, and has the distinction of being the first Special Recreation Association in the country.

We believe that everyone should have the chance to try something new. This means you have the opportunity to participate in any one of NSSRA’s 500 annual programs, or that you have the opportunity to participate in one of the Deerfield Park District programs with the assistance of an NSSRA Inclusion companion.

INCLUSION SERVICES
Deerfield Park District program Inclusion services are available to residents with special needs at no additional cost to the family. Inclusion services may include, when necessary, staff training, program modifications/adaptations, modified equipment and program observations.

Reasons to Request Inclusion Services
• A parent or family member recognizes that a participant would benefit from additional support in a Deerfield Park District program.
• Deerfield Park District staff identifies a need for additional support, for safety and programmatic reasons, and communicates this need to the family.

Requesting Inclusion Services
When registering for a Deerfield Park District program for the first time:
• Mark the accommodation Section of the registration form to indicate that the participant will require assistance from NSSRA.
• Once your registration form is submitted, the Deerfield Park District will contact you to discuss the type of Inclusion support needed for the participant.
• The Deerfield Park District will provide NSSRA with an Inclusion request that contains both program and participant information.
• You will be contacted by NSSRA to discuss the needs of the participant and get input on the type of support required.
• NSSRA will work with the Deerfield Park District to put the necessary Inclusion accommodations in place for participation in the desired program(s).
• Communication between you, NSSRA, and Deerfield Park District staff continues throughout the Inclusion process.
