January 2022

Happy New Year from the PTC!

On behalf of the Deerfield Park District and Patty Turner Center, we hope that you are well, thinking positive and doing your best to stay happy and engaged.

Though it has been another difficult year, we do hope you find some ease and comfort in 2022.

Entering the new year, we are delighted to report that the Patty Turner Center remains fully open.

With guidelines and monitoring in place, we have continued to operate in a safe and responsible manner with everyone's health and safety in mind.

Over this past year, the PTC has continued to navigate through his pandemic; shifting gears as circumstances have changed.

To accommodate our membership, we have continued to provide a variety of in-house, virtual and hybrid programming.

It is our hope that we have kept you engaged and connected; whether at home or in-person.

It is our continued goal to do so.

Entering the new year, we will continue with our re-opening plan. We will begin to re-introduce more of your favorite and requested programs and events. Additionally, it is our hope to grow our membership and introduce a new series of evening and weekend programs for all to enjoy.

Though still under a mask mandate, we will continue to move forward in a safe and responsible way. In addition to our ever-expanding program, we will also continue to offer podiatry, lending closet and social services by appointment.

Enclosed, please find a copy of the January bulletin and registration form. In addition to this calendar, remember you will also continue to receive a weekly e-mail schedule of programs from the Deerfield Park District. A link for all virtual programs will be contained in this e-mail.

Thank you very much for your continued support and all the best in the coming year!
