Park District Capital Projects Update

Director Nehila reported that the park district is looking to put pickleball courts at Shepard Park this summer. The district has attended one Plan Commission meeting with favorable feedback. The next steps include a Plan Commission meeting on March 10 followed by Village Board meetings on April 4 and April 18. Contingent on the bid results, the park district would like to start the project after the DYBSA Warrior Softball Tournament. A new fully accessible paved path will be added to the park as well as additional parking. The scope of work will not impact the soccer fields.

Keith asked if anything came of the idea to turn the tennis courts at SRC into indoor turf. Director Nehila responded that the board will be doing SRC visioning at the March workshop meeting.

The next meeting is scheduled for Thursday, August 4, 2022 at 6:00pm.

There being no additional business, the meeting was adjourned at 6:28pm.
