Dear Neighbors,

Winter is here, but we're already dreaming of summer fun at the Deerfield Park District. We're gearing up for an exciting summer and looking for talented individuals to join our seasonal team. If you're interested, check out the opportunities at deerfieldparks.org/jobs.

In case you missed it, we recently celebrated the 20th Anniversary of the Patty Turner Center in September with a fantastic evening of dancing, music, and delicious food. Over at the Sachs Recreation Center, we've been busy with a fall renovation, including fresh paint, new carpeting, lobby upgrades, a revamped running track, and more. Our goal is to make your experience even better!

But that's not all – we're also working on a lower-level renovation at the Jewett Park Community Center, which will bring exciting enhancements to our programming spaces. Plus, we're relocating

the registration office to the lower level, making it the main entrance. New lobby furniture, flooring, and painting will give the place a fresh look. We expect to wrap up this project by early April.

Finally, don't forget to check out some of our traditional/annual winter special events to keep you and your family busy and active this winter. Be sure to mark your calendar for our annual Sweetheart Dance, a night to remember full of dancing and precious memories. You won't want to miss a fun and game-filled evening in March at Sachs Recreation Center as we host Family Game Night! See pages 9–13 for more details on other upcoming special events.

Stay tuned for more updates, and let's make this winter season a warm and cozy one.

Board of Commissioners

Tom Roark

Parks Department

Tom, married and with 25 years of experience at the Deerfield Park District, works as an Athletic Field Technician. His responsibilities include maintaining athletic fields and other park areas, collaborating with affiliate athletic organizations to ensure field readiness and safety. He finds joy in working with his colleagues and takes satisfaction in seeing the community enjoy the park amenities he helps maintain. Outside of work, Tom enjoys watching football and spending quality time with his grandchildren, especially since he's a dedicated Bears fan.

Sesar Botello

Sachs Recreation Center

Sesar, who works at the Sachs Recreation Center, has been with the district since July 2020. As a widow with four children, Sesar's role involves the day-to-day operations and maintenance of equipment at Sachs, including HVAC, electrical, plumbing, swimming pool mechanics, and housekeeping. Sesar actively participates in the safety committee and enjoys taking part in the park's steps challenge. Sesar's passion in their career is delivering high-quality service to the community. Outside of work, they find joy in family time, outdoor activities like kayaking and biking, and their active involvement in their church. Their upcoming favorite activity is a trip to the Upper Peninsula of Michigan to enjoy the fall colors and go fishing with their son Eddie. They are also a fan of several Chicago sports teams and enjoy late evening local fishing as one of their favorite pastimes..

Laney Hauptert

Recreation Department

Laney Hauptert has been with the Deerfield Park District for 2 years as of February 2024. She serves as the Cultural Arts and Special Events Supervisor, overseeing various arts programs and planning district special events. Laney is also involved in the Deerfield Family Theater, district committees, and external organizations related to leisure services and cultural arts. Her passion lies in bringing the arts to the community, especially live theater, and she enjoys seeing people of all ages fall in love with it. Outside of work, Laney enjoys spending time with her dog, reading, creating art, thrifting, caring for plants, and collecting vinyl records. Her favorite thing is making live theatre because it allows her to tell stories, educate, and entertain audiences through the technical elements of production.

Skylar Greenberg

Marketing Department

Skylar has been working at our district for just over 3 years. She has been married to her husband Sam for 6 years, has a wonderful toddler named Peyton and a fluffy Australian Shepherd named Banks. In her role as Marketing Media Coordinator, Skylar handles various aspects of marketing, including design, web management, photography, email newsletters and the district's social media. Beyond her role, she's part of the DEI committee, IPRA's Communication and Marketing Section, and The Charmm'd Leadership Academy. Skylar loves being part of the parks and recreation community, having started her career as a swim instructor, and she appreciates how it enriches and connects communities. Outside of work, Skylar and her husband enjoy attending theatre shows and Cubs baseball games together. Her favorite musical is "Waitress" with music by her favorite artist, Sara Bareilles.

PRIORITY REGISTRATION FOR RESIDENTS

People who live within the boundaries of the Deerfield Park District always have first priority in our registration process. However, having a Deerfield address does not always mean that you are a resident of our Park District. Program brochures are typically sent to the 60015 zip code, but this can include areas that are not part of the Deerfield Park District.

FINANCIAL ASSISTANCE

Financial assistance may be available to assist Deerfield Park District residents who are experiencing difficulty paying program fees. For more information call 847-945-0650.

RESIDENT & SPECIAL SCHOOL DISTRICT #109 AND #113 RATES

Resident rates will apply to those who live within the park district boundaries. If a participant does not live within the park district boundaries but enrolls in a program that is held at a District 109 or 113 school and they reside in that school district, then they pay the resident rate, but cannot begin to register until the non-resident registration date.

PROOF OF RESIDENCY

To receive "Resident" rates and priority in registration, you are required to show PROOF OF RESIDENCY when signing up for ANY Deerfield Park District program. Online registration users who have set up an account do not need to show proof of residency again at this time. Proof of residency includes both:

- A current residential utility bill (gas, electric, water-no phone bills accepted) with your name stating your mailing address and service address as being the same.
- A valid driver's license or photo-ID containing your current address.

Proof of residency needs to be brought in to Jewett Park Community Center, Patty Turner Center, Sachs Recreation Center or Deerfield Golf Club. We do this to ensure that the registration procedures remain fair. Thank you for your compliance and assistance.

IMPROPER REGISTRATION

Those who register for our programs and improperly use a Deerfield address are removed from the class and no refund or transfer fee is provided. Non-residents pay a higher fee per program. Non-resident fees are shown second in program descriptions. Note: Non-residents are not eligible for resident fees even if their caretaker, provider or relative resides in Deerfield.

CONTRIBUTIONS TO SCHOLARSHIPS

Voluntary contributions to the Deerfield Park Foundation for our Scholarship Fund can be made on the registration form. The fund is used for people who are in serious financial need, to participate in park district programs. The Board of Park Commissioners has a policy that no person will be denied access to recreation programs or facilities because of an inability to pay fees. Please know that the program is strictly confidential and is closely monitored by the Director of Recreation. We appreciate your support.

REGISTRATION INFORMATION

REFUNDS FOR RECREATION PROGRAMS

- A refund may be obtained seven business days prior to the first day of a program. A 10% service charge (\$10 minimum) will be deducted from the amount paid for the program. - Refunds requested on or after the program start date will not be honored.
- Refunds will not be issued for one day programs, workshops, special events, school's out trips or theater tickets.
- If a program is rescheduled, relocated, or changed by the park district, a full refund will be issued if requested by the participant.
- Refunds will be issued if a program is canceled or closed by the park district.

SERVICES FOR RESIDENTS WITH DISABILITIES

Deerfield Park District is a partner with Northern Suburban Special Recreation Association (NSSRA). Formed in 1970, NSSRA is an extension of ten park districts, two cities and one village in the northern suburbs of Chicago providing and facilitating recreation programs and services for children, teens and adults with disabilities. NSSRA offers recreation, sport, cultural and social programs and events available year-round, creating new experiences, opportunities for skill development, leisure time, and perhaps most importantly, friendship. NSSRA has been creating an environment of belonging through play since 1970, and has the distinction of being the first Special Recreation Association in the country.

We believe that everyone should have the chance to try something new. This means you have the opportunity to participate in any one of NSSRA's 500 annual programs, or that you have the opportunity to participate in one of the Deerfield Park District programs with the assistance of an NSSRA Inclusion companion.

Inclusion Services

Deerfield Park District program Inclusion services are available to residents with special needs at no additional cost to the family. Inclusion services may include, staff training, program modifications/adaptations, modified equipment and program observations.

Requesting Inclusion Services

When registering for a Deerfield Park District program for the first time:

- Mark the accommodation Section of the registration form to indicate that the participant will require assistance from NSSRA.
- Once your registration form is submitted, the Deerfield Park District will contact you to discuss the type of Inclusion support needed for the participant.
- The Deerfield Park District will provide NSSRA with an Inclusion request that contains both program and participant information.
- You will be contacted by NSSRA to discuss the needs of the participant and get input on the type of support required.
- NSSRA will work with the Deerfield Park District to put the necessary Inclusion accommodations in place for participation in the desired program(s).
- Communication between you, NSSRA, and Deerfield Park District staff continues throughout the Inclusion process.

PARK DISTRICT PHILOSOPHY

The Park Board recognizes the need to provide and maintain sufficient and attractive parks, open space, recreation facilities and programs to serve equitably, and without prejudice, all the people of the Park District in the provision of leisure time activities.

Every opportunity shall be afforded, within financial limits, to plan, procure, develop and maintain park and recreation resources, and to provide leadership for the wholesome and constructive use of leisure time. The provisions of quality recreational services in the most efficient manner, at the least possible cost, and without significantly duplicating the efforts of other agencies, will be emphasized at all times. This includes the development of cooperative agreements with other agencies directly and indirectly involved with leisure services in the District.

The provision of recreation, park and conservation services must be considered as a positive opportunity for people of the District to share with each other, to develop leadership capacities, to learn skills for present and future enjoyment, and to emphasize responsibilities to each other as well as to the community.

KEEP OUR PARKS BEAUTIFUL

To provide safe, healthy and aesthetically pleasing parks, we engage in the limited use of lawn care products as part of an integrated pest management program. A one-time annual application of herbicide to park and school sites is usually completed between Aug. 15 – Nov. 1 of each year. We publicize the date of the application and inform the appropriate school sites and residents who have asked to be advised of this process.

PARTICIPANT CONDUCT

The Deerfield Park District reserves the right to suspend, expel or deny participation in any program or facility to any person whose behavior materially interferes or disrupts the quality of those offerings, the enjoyment of them by other participants or the ability of staff to conduct or manage the activities or facilities.

A child's parent or guardian will be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District administrator/supervisor; a third incident may result in the expulsion or suspension of the child from the program, event or facility.

If a child engages in behavior(s) which may result in bodily harm to others, an immediate meeting with the parent may be called. If such behavior warrants it, immediate suspension or expulsion may result. Temporary suspension from participation due to misconduct will not entitle participant to a refund.

An adult shall receive one verbal or written warning. The second incident may result in suspension from the program, event or facility. If an adult physically strikes a person or object or throws an object at another person, or takes any other action that may pose a real threat of bodily harm to others, or is verbally abusive to others, s/he may immediately be suspended or expelled from the program or facility.

PHOTO PERMISSION

Our staff or designees often take pictures or video at programs and events. Photographers from print or other media outlets may also take pictures or video on occasion. We welcome the coverage and hope you do too; it is frequently how the public learns what is happening at the Park District. If you prefer your family members' pictures not be taken, please notify us in writing. NOTE: If you do see a photo posted to our websites or social media pages of you or your family member that you would like removed, please email Skylar@deerfieldparks.org.

INSURANCE

Deerfield Park District cannot assume responsibility for injuries or accidents occurring at programs, activities, parks and facilities within our jurisdiction. To do so would make our program and user fees prohibitive. Certain activities, facilities and equipment may, when used improperly, cause harm or personal injury. We make every effort to notify you of potentially dangerous situations and to provide rules for the proper use of equipment and facilities. You can avoid injury by following the rules, using good sense and being considerate of both Park District property and others using it.

EMERGENCY CLOSING

There may be times when weather, road conditions or facility malfunctions dictate that programs and/or services must be canceled, or temporarily postponed or entire facilities closed. The park district will communicate to patrons via the park district website deerfieldparks.org. Whenever School District 109 cancels school due to snow related weather conditions, all Deerfield Park District Preschool classes and all programs held at school sites will also be canceled. Closing other park district facilities or canceling classes will be made on a case by case basis.

BE A GOOD NEIGHBOR

Please respect the rights and property of neighbors of our parks. Use public sidewalks/pathways. Drive carefully in lots, driveways and nearby streets. Trees, bushes, fences, etc., should not be used as bathrooms. Keep your dog on a leash, remain on public property, clean up pet waste, and place trash in park receptacles. To report vandalism, call the Deerfield Police Non-emergency line, [847-945-8636](tel:847-945-8636).

AMERICANS WITH DISABILITIES ACT

Our Park District and other public agencies are subject to the provisions of the Americans with Disabilities Act (ADA) which prohibits discrimination in the services, programs or facilities provided to individuals with disabilities. If you believe that, in accordance with the Americans with Disabilities Act, special assistance may be required when participating in a program, using a facility or receiving a service, please call Dana Bundy, JPCC Manager at [847-572-2624](tel:847-572-2624).

THORGUARD

ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield, from April through November. Horns are tested the first Tuesday of each of these months, at 10 AM. Should you hear the horn or see the strobe light at other times—or any time lightning seems possible—be sure to seek shelter. The system is meant to warn the public that conditions are right for possible lightning danger. This system is not 100 percent accurate, as it operates on radio waves which are variable. As not every unit will go off simultaneously, the public is asked to please use common sense when conditions appear threatening, even if ThorGuard warnings are not heard or seen.

Follow these warnings for safety:

- One prolonged horn blast signifies a strong lightning risk.
- The strobe light signals a continuing lightning alert condition.
- Three short horn blasts (and ceasing of strobe light illumination) signal it may be safe to return to the area, but use discretion.

INFECTIOUS DISEASES, FOOD ALLERGIES, MEDICATION, ILLNESS

Infectious Diseases: To prevent the spread of communicable diseases, such as strep, pink eye and fifth's disease, parents should report any diagnosed cases to the Park District office. If exposure to other participants occurred, a notification is sent home.

Food Allergies: Many of our preschool, as well as cooking and other classes, will serve food; therefore, it is imperative that you notify the full-time Recreation Supervisor of any food allergies or dietary restrictions your child may have.

Medication: If your child requires medication (inhaler, epi-pen, etc.) during class, medication administration forms must be completed. Please call our registration office ([847-945-0650](tel:847-945-0650)) for details.

Illness: Please do not attend class nor send children who are ill to class.
