Dear Neighbors,

Get ready for an epic Spring and Summer in our parks! This guide is extra special because it's the last print edition – say goodbye to mailed guides. Instead, look out for postcards reminding you of when the next program guide will be available on our website. Also, gear up for our cool website redesign launching in Fall 2024.

Looking back on 2023, we're super proud of our achievements, including two IAPD/IPRA Best of the Best Awards, our second Certificate of Achievement, COA for Excellence in Financial Reporting and recognition as a Best Workplace for Commuters. Big projects included widening and resurfacing the Keller Park pathway, a total revamp of Sarah Channick Playground, and upgrades and repairs to the Kenny Rudin Playground and Brickyards Playground.

Looking forward to 2024, get ready for awesome renovations! We'll kick off Jewett Park 2.0 Renovation Project which will include a new playground, concert pavilion, challenge course, family game area, and improved accessibility by the end of 2024.

Our newly renovated lower level of Jewett Park Community Center is set to shine this spring with enhanced programming spaces for early childhood, cultural arts and ceramics programming. In

addition, the registration office will relocate to the lower level making it our brand new main entrance to the building. Also, feel the excitement of new Yamaha golf carts at Deerfield Golf Club and Learning Center, and welcome Tap House as the new restaurant.

For our fitness enthusiasts, Sachs Recreation Center is bringing the thrill! The indoor cycle studio is getting a fleet of 20 new spin bikes, and the main gymnasium basketball courts will have a fresh new look with re-sanding and color coating.

And for our Patty Turner Center, brace yourself for a bunch of new social events for adults! We're introducing rentals for events or meetings, as well as weekend and evening programming.

Finally don't miss out on all the fun ways to make memories with your family this summer, including pool events, family field day, and the outdoor summer concert series at Floral Park. Don't forget to grab your pool passes at early bird rates until May 24, 2024. Check page 6 for details.

Stay Safe & Well,
Board of Commissioners

Deerfield Theater for Young Audiences and the Deerfield Park District proudly present:

Me...Jane

The Dreams & Adventures
of Young Jane Goodall

Adapted by Andy Mitton,
Patrick McDonnell, and Aaron Posner

Music and Lyrics by Andy Mitton

Based on the book *Me...Jane* by Patrick McDonnell

Before she became a renowned humanitarian, conservationist, and animal activist, Dr. Jane Goodall was a little girl with a stuffed toy chimpanzee named Jubilee. ***Me...Jane*** is the true story of young Goodall who, accompanied by Jubilee, went on outdoor expeditions and observed the miracles of nature.

As result of her adventures, Jane dreams of spending the rest of her life helping and learning from animals. By believing in herself, living her dreams, and knowing that she can make a difference, Jane grows up to do just that.

For audience members of all ages!

Karate

The Focus Karate program builds confidence, fitness, and self-esteem through Shotokan karate. We teach our students to set and achieve goals while respecting themselves and others. We do so in a safe, structured environment where our trained instructors keep them motivated, fit and wanting more. They will learn self-defense and interpersonal communication skills that will last a lifetime. Our students receive better grades, make more friends, and learn basic self-defense. We build their confidence and, in the process, help to nurture tomorrow's leaders.

Who is eligible?

Any household with a valid email address is eligible to register online. For Deerfield Park District residents to receive resident rates, proof of residence is required.

What programs are available?

The majority of park district programs are available online, with a few exceptions. These are usually programs that require tryouts, prerequisites or prior instructor approval.

Yes. Online registration works in real time, so, as soon as you complete the payment process and get a confirmation email your enrollment is confirmed. If a class is full, you may join the wait list online.

PROGRAM CANCELLATION

PLEASE REGISTER EARLY! If enough participants are not registered, classes may be canceled. Those waiting until the last minute or for the first day of class may find it's too late.

REGISTRATION FORMS

Registration forms can be downloaded from deerfieldparks.org/forms. Forms are also available at any of our facilities.

REGISTRATION STEPS

- Print legibly in ink.
- Read the registration form carefully and fill it out completely, including class names, activity code numbers and sections.
- Once a registration form is turned in, it cannot be changed.
- When registering, provide details about medical condition(s) that require staff attention.
- If you fax in your form, please do not send a duplicate by mail.
- Payment may be made by check or Visa, MasterCard, Discover or American Express credit cards. If paying by credit card, make sure the card number, expiration date and cardholder's signature are completed and legible on the registration form.
- Do not use cash if you drop off registrations in the drop-off box.
- An adult participant, parent or guardian must sign the waiver on the bottom of the registration form. It is mutually understood that the fax registration document, including the waiver and release of all claims, shall substitute for and have the same legal effect as the original form.

WAITING LISTS

If you select a class and it's full, you will be put on a waiting list. We will notify you of all class placements, cancellations, and/or changes.

PRIORITY REGISTRATION FOR RESIDENTS

People who live within the boundaries of the Deerfield Park District always have first priority in our registration process. However, having a Deerfield address does not always mean that you are a resident of our Park District. Program brochures are typically sent to the 60015 zip code, but this can include areas that are not part of the Deerfield Park District.

FINANCIAL ASSISTANCE

Financial assistance may be available to assist Deerfield Park District residents who are experiencing difficulty paying program fees. For more information call 847-945-0650.

RESIDENT & SPECIAL SCHOOL DISTRICT #109 AND #113 RATES

Resident rates will apply to those who live within the park district boundaries. If a participant does not live within the park district boundaries but enrolls in a program that is held at a District 109 or 113 school and they reside in that school district, then they pay the resident rate, but cannot begin to register until the non-resident registration date.

PROOF OF RESIDENCY

To receive "Resident" rates and priority in registration, you are required to show proof of residency your first time enrolling for a Deerfield Park District program or activity. Once your household has done this you will not need to repeat the process. This procedure ensures district residents receive priority in enrolling for high-demand activities, and discounted prices. A Deerfield mailing address does not guarantee park district Resident status – this is based on property tax boundaries.

Proof of Residency includes BOTH:

- A current residential utility bill (gas, electric, or water, no phone bills are accepted) with your name stating your mailing address and service address as being the same.
- A valid driver's license or other government-issued photo identification containing your current address.

Documentation may be:

- Securely uploaded to the Registration website (after your online account has been activated).
- Dropped off at the registration office at Jewett Park Community Center, Patty Turner Center, Sachs Recreation Center or Deerfield Golf Club & Learning Center
- Faxed to 847-945-0699

IMPROPER REGISTRATION

Those who register for our programs and improperly use a Deerfield address are removed from the class and no refund or transfer fee is provided. Non-residents pay a higher fee per program. Non-resident fees are shown second in program descriptions. Note: Non-residents are not eligible for resident fees even if their caretaker, provider or relative resides in Deerfield.

REGISTRATION INFORMATION

CONTRIBUTIONS TO SCHOLARSHIPS

Voluntary contributions to the Deerfield Park Foundation for our Scholarship Fund can be made on the registration form. The fund is used for people who are in serious financial need, to participate in park district programs. The Board of Park Commissioners has a policy that no person will be denied access to recreation programs or facilities because of an inability to pay fees. Please know that the program is strictly confidential and is closely monitored by the Director of Recreation. We appreciate your support.

REFUNDS FOR RECREATION PROGRAMS

- A refund may be obtained seven business days prior to the first day of a program. A 10% service charge (\$10 minimum) will be deducted from the amount paid for the program. If the refund is requested less than seven business days prior to the class start date it can only be credited to the household account less the 10% service charge (\$10 minimum).
- Refunds requested on or after the program start date will not be honored.
- Refunds will not be issued for one day programs, workshops, special events, school's out trips or theater tickets.
- If a program is rescheduled, relocated, or changed by the park district, a full refund will be issued if requested by the participant.
- Refunds will be issued if a program is canceled or closed by the park district.

SERVICES FOR RESIDENTS WITH DISABILITIES

Deerfield Park District is a partner with Northern Suburban Special Recreation Association (NSSRA). Formed in 1970, NSSRA is an extension of ten park districts, two cities and one village in the northern suburbs of Chicago providing and facilitating recreation programs and services for children, teens and adults with disabilities. NSSRA offers recreation, sport, cultural and social programs and events available year-round, creating new experiences, opportunities for skill development, leisure time, and perhaps most importantly, friendship. NSSRA has been creating an environment of belonging through play since 1970, and has the distinction of being the first Special Recreation Association in the country.

We believe that everyone should have the chance to try something new. This means you have the opportunity to participate in any one of NSSRA's 500 annual programs, or that you have the opportunity to participate in one of the Deerfield Park District programs with the assistance of an NSSRA Inclusion companion.

Inclusion Services

Deerfield Park District program Inclusion services are available to residents with special needs at no additional cost to the family. Inclusion services may include, staff training, program modifications/adaptations, modified equipment and program observations.

- Deerfield Park District staff identifies a need for additional support, for safety & programmatic reasons, & communicates this need to the family.

Requesting Inclusion Services

When registering for a Deerfield Park District program for the first time:

- Mark the accommodation Section of the registration form to indicate that the participant will require assistance from NSSRA.
- Once your registration form is submitted, the Deerfield Park District will contact you to discuss the type of Inclusion support needed for the participant.
- The Deerfield Park District will provide NSSRA with an Inclusion request that contains both program and participant information.
- You will be contacted by NSSRA to discuss the needs of the participant and get input on the type of support required.
- NSSRA will work with the Deerfield Park District to put the necessary Inclusion accommodations in place for participation in the desired program(s).
- Communication between you, NSSRA, and Deerfield Park District staff continues throughout the Inclusion process.

GENERAL INFORMATION

PARK DISTRICT PHILOSOPHY

The Park Board recognizes the need to provide and maintain sufficient and attractive parks, open space, recreation facilities and programs to serve equitably, and without prejudice, all the people of the Park District in the provision of leisure time activities.

Every opportunity shall be afforded, within financial limits, to plan, procure, develop and maintain park and recreation resources, and to provide leadership for the wholesome and constructive use of leisure time. The provisions of quality recreational services in the most efficient manner, at the least possible cost, and without significantly duplicating the efforts of other agencies, will be emphasized at all times. This includes the development of cooperative agreements with other agencies directly and indirectly involved with leisure services in the District.

The provision of recreation, park and conservation services must be considered as a positive opportunity for people of the District to share with each other, to develop leadership capacities, to learn skills for present and future enjoyment, and to emphasize responsibilities to each other as well as to the community.

KEEP OUR PARKS BEAUTIFUL

To provide safe, healthy and aesthetically pleasing parks, we engage in the limited use of lawn care products as part of an integrated pest management program. A one-time annual application of herbicide to park and school sites is usually completed between Aug. 15 – Nov. 1 of each year. We publicize the date of the application and inform the appropriate school sites and residents who have asked to be advised of this process.

PARTICIPANT CONDUCT

The following conduct code rules apply to both participants and guardians/caregivers of those children. The Deerfield Park District reserves the right to suspend, expel or deny participation in any program or facility to any person whose behavior materially interferes or disrupts the quality of those offerings, the enjoyment of them by other participants or the ability of staff to conduct or manage the activities or facilities.

A child's parent or guardian will be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District administrator/supervisor; a third incident may result in the expulsion or suspension of the child from the program, event or facility.

If a child engages in behavior(s) which may result in bodily harm to others, an immediate meeting with the parent may be called. If such behavior warrants it, immediate suspension or expulsion may result. Temporary suspension from participation due to misconduct will not entitle participant to a refund.

An adult shall receive one verbal or written warning. The second incident may result in suspension from the program, event or facility. If an adult physically strikes a person or object or throws an object at another person, or takes any other action that may pose a real threat of bodily harm to others, or is verbally abusive to others, s/he may immediately be suspended or expelled from the program or facility.

PHOTO PERMISSION

Our staff or designees often take pictures or video at programs and events. Photographers from print or other media outlets may also take pictures or video on occasion. We welcome the coverage and hope you do too; it is frequently how the public learns what is happening at the Park District. If you prefer your family members' pictures not be taken, please notify us in writing. NOTE: If you do see a photo posted to our websites or social media pages of you or your family member that you would like removed, please email George@deerfieldparks.org.

INSURANCE

Deerfield Park District cannot assume responsibility for injuries or accidents occurring at programs, activities, parks and facilities within our jurisdiction. To do so would make our program and user fees prohibitive. Certain activities, facilities and equipment may, when used improperly, cause harm or personal injury. We make every effort to notify you of potentially dangerous situations and to provide rules for the proper use of equipment and facilities. You can avoid injury by following the rules, using good sense and being considerate of both Park District property and others using it.

EMERGENCY CLOSING

There may be times when weather, road conditions or facility malfunctions dictate that programs and/or services must be canceled, or temporarily postponed or entire facilities closed. The park district will communicate to patrons via the park district website deerfieldparks.org. Whenever School District 109 cancels school due to snow related weather conditions, all Deerfield Park District Preschool classes and all programs held at school sites will also be canceled. Closing other park district facilities or canceling classes will be made on a case by case basis.

BE A GOOD NEIGHBOR

Please respect the rights and property of neighbors of our parks. Use public sidewalks/pathways. Drive carefully in lots, driveways and nearby streets. Trees, bushes, fences, etc., should not be used as bathrooms. Keep your dog on a leash, remain on public property, clean up pet waste, and place trash in park receptacles. To report vandalism, call the Deerfield Police Non-emergency line, 847-945-8636.

AMERICANS WITH DISABILITIES ACT

Our Park District and other public agencies are subject to the provisions of the Americans with Disabilities Act (ADA) which prohibits discrimination in the services, programs or facilities provided to individuals with disabilities. If you believe that, in accordance with the Americans with Disabilities Act, special assistance may be required when participating in a program, using a facility or receiving a service, please call Dana Bundy, JPCC Manager at 847-572-2624.

THORGUARD

ThorGuard Lightning Prediction Systems are installed at all parks, pools and schools in Deerfield, from April through November. Horns are tested the first Tuesday of each of these months, at 10 AM. Should you hear the horn or see the strobe light at other times—or any time lightning seems possible—be sure to seek shelter. The system is meant to warn the public that conditions are right for possible lightning danger. This system is not 100 percent accurate, as it operates on radio waves which are variable. As not every unit will go off simultaneously, the public is asked to please use common sense when conditions appear threatening, even if ThorGuard warnings are not heard or seen.

Follow these warnings for safety:

- One prolonged horn blast signifies a strong lightning risk.
- The strobe light signals a continuing lightning alert condition.
- Three short horn blasts (and ceasing of strobe light illumination) signal it may be safe to return to the area, but use discretion.

INFECTIOUS DISEASES, FOOD ALLERGIES, MEDICATION, ILLNESS

Infectious Diseases: To prevent the spread of communicable diseases, such as strep, pink eye and fifth's disease, parents should report any diagnosed cases to the Park District office. If exposure to other participants occurred, a notification is sent home.

Food Allergies: Many of our preschool, as well as cooking and other classes, will serve food; therefore, it is imperative that you notify the full-time Recreation Supervisor of any food allergies or dietary restrictions your child may have.

Medication: If your child requires medication (inhaler, epi-pen, etc.) during class, medication administration forms must be completed. Please call our registration office (847-945-0650) for details.

Illness: Please do not attend class nor send children who are ill to class.
